## a infinances which in some n way actuate its impulse TO DRAW OUT

Shot by Jules James Gallagher as He Was About to Sail for Europe This Morning-He is Reported Dead-Great Excitement in City

(Special to Dally News) - Oallagher was immediately arrest Washington, D. C., Aug. 8. - with ed by the pelice. Great excitement prevails in the iam A. Gaynor, mayor of the city of New York, was shot by Jules James Gallagher this morning. Gaynor is one of the mo mayors New York has see

Now Fork, was shot by Jules James Gallagher this morning The shooting occurred as Mayor Garner was about to sail on the transmithatic liner Kniser Wilhelm Ber Grosse. It was reported this mayor is dead, but this rumor has not yet been confirmed. Garner was a discharged employe.

Alon a use read as follows, and a valuable information: "Every occupant of a lot on any rest shall keep the footway clean ad the guiter open and free from badructions, as far as such tot extends." As the article reters to typhold fe-ver, I which to state that I have had troughed in my family. Five years ago I lost my coldest daughter of typhold. The cart drivers may it is almost im-possible to have all the trash of the streets on Sunday just as long as the citizens don't respect the law, which reads:

reads: "Sec. 31 (page 17). No wasts pa-per or other trash shall be set five deposited upon the sidewalks of pub-lic streets of the town except the wavepings which shall be pisced in box, barrel or some other suitable re-ceptacle and pheed in front of the ot or suitading, which shall be placed on the atreets only on Monday, Tuer-day. Wednesday and Thursday of

day, Wednesday and Thursday of each wish. As for the drains spoken of, more people know that since June 30 i bary dirt or digging up trees where the paying is to be done, but so far as t know I am Jone with that chass of work for the time being, Lass were to the creek That was more neces-sary than to run the water off to the low places and let it have to soak up in the land. We are now opening the dealman A large storing the three stores and the following are here the following for the following are here the here there the here the here the here t

Bec. 17 (page 16). Volkoles shahn not jø run so close to the drains and tithese of the town as to cut inti-tism, or break down their margins. Due more section of law would.
Bec. 40 (page 13). That no glass is deposited upon the aldevalks is rosts a calleys of the town.
Now, writer, --or, Mr. Health, --ti rou will meet me at the City Hall at o 'clock and tell my where the great is taking my force and removing samp of all over town with me i coold abor you something about the drainage of his steves there are not many people andicism to drain all of these town run, ing up Third street main would be andicism to train all of these town run, ing up Third street many people and the two how, much water sports on orth and has to find its way to the the washington to the store sports in the star in the town of the store sports are the order of the the washington the town the town the and first to the town the town the and first to the town the town the the washington the town the town the town the town the town the the to stream the town the town the town the town the town the town the the to stream the town the the to the through the town the town the the town the the town the the town the the town the

who know how much who solve north and has in find its way to the river through 13-inch pipen. Take the Washington its rest drains north through its inch piper Pierce street through 13-inch piper Pierce street rear Main to Third. Firidge street near Main to Third. Vannorden about midway between Main and Second to Third—when all that smouth of wa-tee gathers at Third street, then two 13-inch pipes has to carry the water to the ditch, as it car't get off. Just as i can tell you about the drainage of the whole town, i will mention that in more than one piace water crosses Main street and goes north to the town ditch. Now if you would give as good drainage the grass and weeds might look unsightly, but the oxygen that we would get mized in with the odor of growing vegetation

with the odor of growing vegetation would not be as much a menace as the orden closests all over town. Give in the sewer up Third street and late have a clean town. There are seven or eight bydrants on Third street and at any time the sewer could be funded out.

MODEL ROOMS Y. M. C. L. Receives Additional Gyn nastic Paraphernalia

The house committee of the Young Mon's Christian Losizue have Just, re-ceived additional gymnastic para-phernalis for the gymnastium. It con-sists of boxing slows, purching bags, Indian clubs, dumb bells, cheer ex-ercisers, etc., also such games as checkers, dominoes and crokinole boards, which with the parallel bars, trapese rings and bars, and 30 feet trapese rings and bars, and 30 feet of walking ladder, makes the gym-mssiam almost complete. If is the purpose of the committee to install additional apparatus as fast as the funds are available. This is an in-

additional apparatus as fast as the funds are available. This is an in-stitution which should be encouraged and generously supported, by the en-tire city. It has already done con-siderable good, and its influence for the city's uplift is felt already. As abnounced in the Daily News recent-by the executive committee thought ly the executive committee thought it desirable to discontinue the Sun-day afternoon service during the extreme hot weather, but they will be resumed about the middle of Septem

resumised about the middle of Septem-ber. The rooms are open every night from 7.30 to 10.30, and all day Sun-day. The league already has a large membership, about 140 being on the roster. The dues are only 50 conts per month. Any young man over 16 years of age wishing to become a member of this worthy organization can strat their name to Mr. N. C. Newcan give their name to Mr. N. C. New

bold, the president, or to Mr. John G. Bragaw, jr., the treasurer. The rooms are a credit to Washington.

NOTES FROM MOREHEAD CITY. Atlantic Hotel, Morehead City, Aug

rooms are a credit to Washington. THE GAIETY TONIGHT. A the "house where the best pic-tures relar" there will be another exceptionally strong bill presented, of the usual high standard, tonight. The imreman of Old Holland is a deep, intensely stirring drama ta-ken in natural scenary that will sur-the in natural scenary that will sur-the in natural scenary that will sur-the surgeman of Old Holland is a poor Holland pensant and pleads for work for the sake of his motheries babs, but is returned and in despera-tion and in a moment of melancholy places the baby boy adritt in an open bont, trusting to fate that some God-fearing and benevolent person would find and give the boy a home. He him-self befines a waderer in the Belds. He dnds a purse, but too late. The

self becames a wanderer in the Belds. He dnds a purse, but too late. The wife of the bargeman of Beeges ands and gives the boy a home and love. This is the opening of this great story -which is interventing from begin-ing to end. Bootless Baby is a comedy. A 'laugh' would be more appropriate, for it is a side-splitter of the most pronounsed type. A Victim of Hate is another one of those strong Es-mung dramas, true to real life and illustrating a good moral. The de-sand the plature is faultiess. The entire program is going to prove a feature, and you just can't afford to miss it.
