

TONIGHT MARKS END OF FIRST PERIOD OF TOUR CONTEST

COURTESY REQUIRED TO OWN VOICE NEW SUBSCRIBERS MEAN VOTES—EVERYBODY EXCITED BY WATCHING RESULTS FOR SOME FAVORITE.

Tonight at nine o'clock sharp the first period of the Daily News tour contest will come to a close.

The European tour department anticipated a positive storm of ballots and a great mass of subscriptions.

It is a certainty that a great amount has been accomplished by the active contestants during this period and in order to get the first will be turned in this evening.

Many changes of position would undoubtedly occur were contestants to vote their reserve supply of ballots on subscriptions taken during this first period, but it is doubtful if very many will do this.

In yesterday's issue of the News the coupon was reduced to one vote. This value will continue throughout the contest. Each coupon entitles within one week of its issue. The

date of expiration is clearly printed on each one, and none will be accepted after its expiration.

The necessity of reserving to subscriptions as a means of securing a vote standing and a reserve ballot supply is a new very original. New subscriptions are the ones that will give most and those who make the best of earliest opportunities will be the winners of these tours, and will leave with our party next July.

Candidates outside of the city will be allowed special grace on the closing of this period, and subscriptions received from out-of-town candidates in our Monday mails will be counted in the first period.

Note the vote standing of the contestants today, and compare it with the day before, and with Monday's vote standing. Everyone is hustling. That is a certainty, also the constant shifting of positions would not be so very noticeable.

The public is urged to make the best of every remaining opportunity to help some deserving friend to become a member of our party.

BIOGRAPH AT THE GAIETY TONIGHT

Three Big Feature Reels—Come to the Gaiety With the Crowd Tonight.

Were you with the merry crowd at the Gaiety last evening? If not you certainly missed a treat for the program was pronounced by all as being one of the strongest and best seen here in many a day. Tonight there is an extraordinary good program offered, consisting of three full reels of feature pictures. The first is a Biograph "An Old Story With a New Ending." It is a good comedy drama. It is one of the strongest productions the Biograph Company have yet conceived. The scenes are perfect in all respects and this film should prove a very big feature.

The next: "His New Family from Sans Famille." Another drama by Roy Norton. All of you who have been keeping up with Norton's plays know what they are. And we can assure you that this one is the best he has yet released, "and so."

The third reel is a great Indian picture entitled "The Cheyenne Raiders of Kit Carson on the Santa Fe Trail." It is a story of the gold seekers in the Black Hills in '49. Perfect in photography, thrilling action and a wonderful climax. Come out with the crowd tonight and enjoy yourself.

THE GAFE DAIDED THREE LEGGED CHICKEN HERE

FIVE MEN WALKED INTO CASE AND BEGAN SHOOTING—TWO DROD TWO MORTALLY WOUND IN MANY OTHERS HAD A HURT.

New York, Oct. 7.—Five men, alleged to be following the instructions of their dying leader, Joseph Marino, who is in Baltimore with a bullet in the forehead and a deep stab wound in his breast, entered the Maryland Cafe, 23 West Twenty-Ninth street, at 1 o'clock this morning and began shooting.

When the smoke of the battle cleared two men lay dead with revolvers clutched in their hands, two others mortally injured crouched on the floor snatching their revolvers at the screaming men and women who fled from them, and at least, so the police report, thirty other men and women had received either stab wounds or shots.

The dead: Mack Frank, a clerk, 28 years old shot through the eye and killed instantly.

Cass, Phil, alias Marshall, 21, a race track follower, shot through the head.

Mortally injured: Howard, Jim, 31, shot twice in the abdomen.

The police say that he resembles Jim Hart, known also as "Diamond Jim," a western crook who landed in New York five days ago.

Benita, Frank, shot through the body.

The police were unable to get even a partial list of the wounded men and women who escaped either by running or fleeing in waiting taxis, but it is believed that Giuseppe Pergal, better known as "Chick Tucker," a former prize fighter and manager of the place, received a bullet some where in his body.

A number of men and women, some limping, some bleeding about the face and head, some screaming in pain, were seen making for Broadway and Sixth avenue following the shooting.

Mr. N. H. Warren of Ransomville, N. C. was in the city yesterday and was exhibiting quite a curiosity in the way of a three-legged chicken.

Besides the regular allotment of \$20 a third one is seen between the two and is perfectly formed.

Mr. Warren had the chicken on exhibition at H. B. Mayo & Company's store on Water street. The rooster was seen by a large number of people.

Mr. Warren is thinking of sending the chicken to the Blue Fair at Raleigh this month.

THEY ARE EXILED

THE POWERS STILL HOLD ALGOLF ONLY TWO COUNTRIES, SPAIN AND BRAZIL, HAVE EXTENDED ANY RECOGNITION TO THE NEW REPUBLIC.

Lisbon, Oct. 7.—The members of the royal house of Braganza were declared exiled from Portugal today by the provisional government. However, it was stated that the personal property of Manuel would be respected.

Sir Francis Villiers, British minister to Portugal, called upon Senor Machado, minister of foreign affairs under the new republican regime.

The object of his visit was not disclosed.

Uncle Sam Sends Cruiser Gibraltar, Oct. 7.—The United States armored cruiser Des Moines, has been ordered to proceed to Lisbon immediately.

Acting under personal order from President Taft the navy department has issued orders directing that the protected cruiser Des Moines, now at Gibraltar, proceed to Lisbon at once.

The Des Moines has been instructed to leave Gibraltar at 8 o'clock to-night which is 1 p. m. Washington time.

The cruiser will proceed to Lisbon simply to have the United States represented in the naval contingent of foreign warships gathering at that port.

Captain Luby, of the Des Moines, when he arrives at Lisbon, will be expected to keep the government here advised as to general developments in Portugal.

It is understood that the state department was not consulted about ordering the ship to Lisbon, President Taft simply exercising his authority as commander-in-chief of the navy.

The arrival of King Manuel and the royal family of Portugal at Gibraltar last night was reported to the state department today by Consul General Sprague, at Gibraltar.

The fugitives arrived on the royal yacht which was escorted by two British cruisers.

During the night the cruisers left for Oporto, Portugal.

THEY PASS ON BIS QUESTIONS

Washington, Oct. 7.—The Supreme court of the United States will convene next Monday at noon for one of the most important sessions in its history.

During the coming eight months it will have to pass upon cases profoundly involving the industrial and business life of the nation, and this fact adds importance to the pending changes in the personnel of the great court, occasioned by the death of Chief Justice Fuller and Associate Justice Brewer and there appears excellent reason to expect that he will be named in place of the Chief Justice, although Associate Justice Harlan, the senior surviving member of the court has been much spoken of for promotion to the Chief-Justiceship.

In any event, including Justice Hughes, there will be three new men on this bench during the coming session.
