to the Federal government.

was well founded.

great mass of the people."

agricultural states of

ince for Governor because he is Mr Roosevelt's candidate. His election they assort, would lead to a Presi dential nomination of Mr. Roosevel and consequent industrial and com mercial unrest. There is a disposition on the part of many Republicans to vote for

Mr. Dix and then cast their bal-lot for the nominees on the Republican ticket from lieutenant govern or down. Prosperous and contented, the Re

publican farmers in the structly ru-ral counties will vote as they always ral counties will vote as they slw iys have done — for the Republican The Heavy Defections in Populatio Genters

In all sections where there are cities of large villages there is strong defection from the Republican ranks.

Members of the Old Guard : bo were "spanked" at Saratoga still 're sulking and secretly hoping for the defeat of Mr. Roosevelt's no lines for governor and the election of all the other, men on the Republican ticket, as well as a majority in the egislature. With keenest interest are the 1 so ple of the nation watching the titan

tick battles al over the country. But their interest is focussed upon the Empire state. Here the biggest struggle of all a being waged. Here the pras' en-

tial contest two years hence may be in the balance. Here political hisin the balance. tory which will take an important place in the annals of politics is teing written. That there is a Statewide and en

anding defection from the Roonblican ticket is indicated beyond doubt. Republican leaders not only rec

oginas it, but say freely that they are perturbed by it. It is noticeable in every county in the sate with the exception of a half-dozen where farm-ing is the oblef pursuit and a prosperity and contentment perch over the dodrway of every dwelling. In ome sections it amounts to almost an uprising.

In New York city it has assumed proportions which glarm the Repub-lican party managers. In Rochester, Albany, Troy, Schenin identerica Albany, Iroy, Schen-eotady, Amsterdam, Elmira, Bing-hampton and other cities-in every community where there is manutac-turing-it has asserted itself and as caused the republicans to de-

lare that heir normal pluralities will be reduced. Just how far the movement will so and just how far it will extend to the wage earners is a pumie to all the leaders. If the leaders. If the s factor such as never before as entered into a Republican sit-ation in the state. It bears strik-ation in the state. It bears strik-as rossmillance to the drift of the onservative Democrats from their aity when Bryan, with his radical-ity, when Bryan, with his radical-ity, beams the standard bears in 194 and bot the state to McKinley with an
