In Quite Rich.

The many friends of Mrs. Sallie Myers will regret to hear of her serious illness. She has many friends in Washington and they all wish for her a speedy recovery.

A dose of "555" will cure any cold, cough and fever. Price 25c.

HOME ENDORSEMENT

Hundreds of Washington Citizens Can Tell You About It

Home endorsement, the public expression of Washington people, should be evidence beyond dispute for every Washington reader. Surely the experience of friends and neighbors, cheerfully given by them, will carry more weight than the utterances of strangers residing in far-away places. Read the following:

David E. Willis, R. Main and Charlotte Sts., Washington, N. C., says: "I am glad to recommend Doan's Kidney Pills, as I received great benefit from them. I found that they were just the medicine I required. I procured my supply from the Hoyt Drug Co., and after taking them a short time, I enjoyed much better health. At that time I publicly told of my experience and now I willingly confirm my former statement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

The Entertainment Much Enjoyed.

The Christmas entertainment in Brown's opera house last night for the First Presbyterian Sunday school was much enjoyed by all present. Prior to the distribution of the confectons by Santa Claus several of the children rendered suitable recitations.

One of the features of the evening was the singing by the school. It proved to be one of the most enjoyable occasions of the holiday season.

Will Promote Beauty.

Women desiring beauty get wonderful help from Bucklen's Arnica Salve. It banishes pimples, skin eruptions, sores and boils. It makes the skin soft and velvety. It glorifies the face. Cures sore eyes, cold sores, cracked lips, chapped hands. Best for burns, scalds, fever sores, cuts, bruises and piles. 25c at all druggists.

Mrs. D. V. Warren Dead

Passed into eternity this morning. Mrs. D. V. Warren, aged eighty-one years.

Mrs. Warren was one of our oldest and most respected citizens. She was the last surviving daughter of Colonel Richard H. Bonner and his wife, Elizabeth, and the widow of the late Judge Edward J. Warren. Mrs. Warren was a woman of great strength and sweetness of character of brilliant intellect and cordial manner. Although an invalid for years she bore her sufferings with dignity and sweet serenity until her Lord called her to better things.

The funeral services will be held from her late residence, corner of Main and Bonner Streets, this afternoon at 3:30. The following are the pallbearers:

Honorary: Mr. Seth Bridgman, Mr. Charles M. Brown, Dr. David T. Taylor, Mr. Thomas J. Latham, Mr. Sylvester Fleming, Captain J. G. Bragaw, Mr. Jonathan Havens, Captain Herbert Bonner.
Active: Mr. Frank Moss, Mr. Beverly G. Moss, Mr. Frank Rollins, Mr. Angus D. MacLean, Mr. John Bonner, Mr. Collin H. Harding.

Thus another landmark has passed into the Great Beyond.
A more extended notice of Mrs. Warren will appear in these columns later.

NO PAPER MONDAY

On account of Sunday being Christmas Day and as Monday will be observed as a holiday in Washington the Daily News will not appear on that day. Every reader of the paper is wished a happy and joyous Christmas.

Messrs M. P. McKee Jr., and Thomas Blount are home from the A. and M. College, Raleigh to spend the holidays.

Mr. Herd Jones of Rocky Mount is the guest of the parents Mr. and Mrs. William Jones on Friday.

Getting on Very Well.

The seven and three-year-old sons of Mr. Robert Hill of Chantilly who were shot accidentally at their home Wednesday evening by the careless aim of a shot gun, were reported on at the Fowls Memorial Hospital yesterday afternoon by Dr. John Nicholson, assisted by several physicians. The older boy's arm was amputated just above the wrist and the younger's at the shoulder.

The reports from their bedside today are encouraging. They are getting on as well as could be expected. The accident was quite a blow to the parents and they have the sympathy of the entire community.

Happy Christmas to all!

A WEAK WOMAN AND HER STORY

In Floral, Ark., Lives a Lady Who Feels That Her Strength Was Restored by Cardui.

Floral, Ark.—"I must speak a good word for Cardui," writes Mrs. Viola Baker, of this place.

"About a month ago I was in very bad health. I was so weak and nervous that I was not able to do my housework."

"My husband bought me one bottle of Cardui, the woman's tonic. I took it according to directions and now I am in good health."

"I think Cardui is a fine tonic for weak women."

"And you are not the only lady who thinks so, Mrs. Baker."

"Thousands, like you, have written to tell of the wonderful benefit Cardui has been to them."

"Cardui contains no minerals, or other powerful drugs. It contains no glycerin or other unwholesome ingredients."

"It is just a pure, natural extract of natural vegetable herbs, that have been found to regulate the womanly functions and strengthen the female system."

All druggists sell Cardui. See yours about it.

A SEASONABLE SUGGESTION

This is the time of year when extra precautions should be taken by all sensible people to guard against disease. Especially is this true of families where there are children attending the public schools.

Climate conditions are more changeable just now than at any other season of the year. While poets sing of the "bear and yellow-leaf period," and it's pleasant to read in the boiling hot summer months of the time, when "the frost is on the pumpkin and the spider's in the shock," just the same it has its drawbacks.

For one thing, it's mighty hard to be properly dressed at all times, when you leave home in the morning the thermometer may stand at 60—and in two hours be down to 30. That means that you are going to be chilled through and through before you reach home—and heavier clothing.

Coughs, colds, grip, feverishness and aches are more prevalent at this time of year than any other. You are exposed to the sudden changes of weather, and wake up next morning with a splitting headache, a fever, an ache in every bone, and a sore-aching in every muscle.

To relieve such cases quickly and surely, there is no medicine so good as HICK'S CAPSULES. It's liquid, acts immediately, is pleasant to take, and never fails to relieve. No household should be without a bottle in the medicine chest ready for instant use. It will save many a doctor's bill, and when used on first appearance of above ailments, will prevent serious illness. It's especially good in cases of headache—nervous or any other kind. It relieves promptly.

The announcements of HICK'S CAPSULES are appearing regularly in these columns, and the use is highly recommended. The next time you're in a drug store get a bottle—just in case.
