A SUBSTANTIAL ROAD OF DIRT

Winois Commission Builds One Without Use of Stone.

CONSTRUCTION METHED EASY

biles Has Made It Necessary to Find Something Stronger Than the Mac-edam Road-Experiments With Mix-ture of Dirt and Cil Show Results.

Macadam roads have been the worldconditions of modern traffic they have so quickly wern away that in the country which beasted the enduring military roads of Najolesa a con-gress of the road engineers of the world was called to si horse drawn vehi pacted th

about Echemi, who have hards name; of roads for many years, remail it me the sobelin of the problem of boild ing medical roads to the black peaks.

soils.

The medical of construction was rise The net of a constructive we the pice. The read was proved all the sections deep and he dist served to each tide. In the had thus made a larger of all mass springers before which is usually called the SE for not not had so the SE for not not had so the section which was acrossed had not be removed and sold was applied to the teach of the section of

Then fellowed a tamper, an implement like a trugo field relief, each exection of which hears closely set proura about ten highest to the collect at method to the wheels of a steam roles to their ap the road, only louner and rounded on the und. This tamper does the work its unine indicates—it covaries the minimum and the oil and dirt and tampe it down. After its am more off and dirt were added until three layers had been upplied, and then the steam roller combined the work.

or when the material must be carried in by rail.

Rapairs are resultly rande in this form of read construction. The top a plowed on more oil added, compet and rolled, and the surface is an eyed as how. If is not a road that does no lead rounded, rainly, we must read in built. Even the citys granite blocks wear out under the creating wheals of its heavy traffic. The fundamental fault of American country rose builders is discipled bill that a road will stay built. It won't. It is not in the nature of things. The base of roads need repair, and wise is that a road will stay built. It won't is not in the nature of things. The base of roads need repair, and wise is that commissioner who has surned that in road maintenance a stirch in time saves nine. Unfortunately not many of them have learned that far, Evidently the black mud regions, far from gravel and timestone, need not sit helplessly marcomed in mud. A way out has apparently been found-over a solid, substantial bridge, built of oil and dire.

A Stubborn Opening.

A Stabborn Opening.

The head of the household was going through her husband's pockets the

next morning.

"What kept you out so late last night?" she suddenly demanded.

"It was the opening of the campaign, my dear," the lesser half re-

piled.
"Well, it didn't take three corkserews to open it, did it?"
And she drew the offending articles from his side pocket and waved them before him.—Cleveland Plain Dealer.

A Rict of lok,

Canon Meholl used to tell how on one occasion he had visited the famous house of the Tirales if that suburb of London where Dr. Johnson, was at home. "Johnson," said the canon in recalling his visit, "had occupied two rooms, and these were left as he last used them. The sinht was an extraordinary one, for luk was spiashed all over the floor and even on the walls, it was one of the dottor's habits to dip his pen in luk and then shake it."

Capassed by a simple wash. "I was analized of my face."

Writes Miss Minnie Plekard of Altsmahaw, N. C. "it was all tull of pimbes and scars, but after using Dr. D. D. Prescription I can sky that new there is no sign of that Ecsema, and that was three years ago."

D. D. D. has become so famous as a cure and instant relief in Eczema and all other serious skin diseases, that its value is sometimes overlooked in clearing up rash, pimples,

Teaching the Teacher.

Same Old Story,
"Does he pay his allmany promptly?"
"No. He has to be urged and threatened every pay day; but, then, of
course, I got used to that when we,
were living together."—Cleveland Plain
Dealer.

The examiner for IIIs insurance asked me what I considered a funny question. He asked me how long I had been married and when I bed him three means he asked whether we kept a cook as you did the cook-inc."

"And when you told him that we kept a cook, dear?"
"He seemed to consider me a road
risk."—Houston Post.

When the fight begins within hims man's worth comething.-Brown

ALL MY PIMPLES GONE

Girl Tells How a Eletchy Skin Was Cicansed by a Simple Wash.
"I was ashamed of my face,"
writes Miss Minnie Pickard of Alts-

ed in clearing up rash, 'pimples, blackheads, and all other minor

Teaching the Teacher.

Teacher—Johnny, what part of speech is 'nose? Johnny—Tisn't any, Teacher—Ah, but it must be, Johnny—May, be yours is, because you talk through it, but the only part of speech I've or serious trouble, the scothing of got is my mouth.

tly harmless to the most delicate
