GOOD NEWS

The Inclement Weather Keeps Many Away From the Meeting. The second service of the week of prayer was held in the Christian church last night and was led by Rev. J. A. Sullivan, pastor of the First Baptist church. He delivered a most helpful talk on "The Maligned Vision."

Notwithstanding the inclement weather quite a number were present. The meeting began at 7:30 and ended at 9:30.

RETURN MEMORANDUM

Will Lecture at Presbyterian Church Thursday and Friday Nights. Rev. Cameron Johnson, 25 years a missionary teacher in Japan and Korea and has made a world tour of missions in order to collect illustrative material for the special work of mission study among the Christian people of America will speak at the First Presbyterian Church Thursday and Friday evenings of this week.

The meeting will begin promptly at 7:30 o'clock. All who have heard Mr. Johnson in other cities and saw his views testify to their interest and fascination. A first treat awaits all who hear him.

Sidewalk Defective.

In some parts of the city the new concrete sidewalks has been discovered to be defective. In front of the residence of Mr. Thomas J. Latham on West Second street it is especially noticeable. The city will no doubt remedy the defect at once.

George Taylor Thanks His Many Friends.

I'd just love to thank you every one personally for your splendid support in the Hoyt automobile contest. But as I can't do that, this is the next best thing. "The Brownie" is tucked safely away in its car range, and the reason you haven't seen me out in it is because I'm waiting for my imported chauffeur to come across. Judging from a cable I have just received, he'll be here in a few days. It was just awfully good of you all to give me so many votes. Uncle Jim Mayo says "the reason I won the automobile is because I'm such a lively advertiser. He says that "the people who advertise in the Daily News, always get what they go after." As for me, I'm permanently committed to Buster Brown's philosophy which says: "If you want people to make a fuss over you, you'll have to coax 'em." Permit me to thank you once again for the numerous votes which enabled me to win. Hoping that you have had the merriest sort of a Christmas and wishing for you the jolliest New Year you ever struck, I remain.

Gratefully yours,
 GEORGE TAYLOR.

The subject for the evening will be "Christian Unity" in accordance with the topic for the week of prayer which is being observed here.

Meet Tomorrow.

The Women's Christian Temperance Union will meet Thursday at 2:30 p. m. in Young Men Christian League rooms.

The best conscience is when it is chloroformed.

The devil invented loafing to do most of his work for him.

A mother dreams of the time when her son will be president; a wife of the time when her husband will be a millionaire.
