The question is not what the legislature did but what it did not do.

A great many people who are keeping Lent do not think to keep it themselves.

Mrs. Belmont in opening her school farm hopes she may be able to teach every young woman how to hoe her own row. Solah.

Hog and hominy is now being enjoyed by us all, thanks to our good neighbors residing in the country.

These Mexicans will find it a terrible thing to get mixed up with war maneuvers.

Wonder if our friend Commander Hobson is going to get mixed up in this little Mexican trouble? Bet he is fighting to just the same.

We can understand the ease with which a fool and his money are parted, but what puzzles us is how the fool got the money to part with.
