AMATEUR PLAY GREAT SUCCESS

Presented at the Schol Auditorium Last Night by Home Talent.

MUCH ENJOYED BY AUDIENCE

The Cornelian Club Presents Rebecca's Triumph to a Good Effect. All the Characters Were Good and Show Historic Ability. Club Congratulated.

The long looked for drama in three acts, "Rebecca's Triumph" was presented by the Cornelian Club of the Washington Public Schools last evening and from start to finish was a success.

The young ladies composing the cast were to be congratulated on their effort. Nearly every member of the company showed histrionic ability and were highly complimented by the audience. Those who had the leading parts were especially clever.

The members of the Cornelian Club in presenting "Rebecca's Triumph" have no cause to regret their first effort for it was a crowning success in every detail and shows that the students of the Washington Public Schools are doing all they can to further the interest and welfare of this well-known institution.

Between acts there were several musical selections which were worthy and appreciated. Several male students sang nicely a selection. Miss Annie Carrow rendered a vocal solo and the Misses Orpans rendered an instrumental duet with piano and violin.

As first stated "Rebecca's Triumph" was a triumph indeed and every one present are loud in their praises of the performance and the performers. It is to be hoped that at no distant day the members of the Cornelian Club will take our citizens with another attraction.
