ASK RELEASE FOR DR. HYDE

Physician's Lawyers Want Him Freely On Bail Pending Second Trial. Kansas City, Mo., April 24.—Arguments on the application for a writ of habeas corpus for Dr. C. B. Hyde, under a life sentence for the murder of Colonel Thos. H. Swope, were begun today before Judge Slover of the Circuit court here.

Dr. Hyde was in the court room, it being the first time he has been allowed to leave the county jail since the birth of his son last September.

The petition for the release of Dr. Hyde sets forth two reasons why he should be given his liberty on bond. First, that the proof was not evidence, and the presumption not great that the physician is guilty of murder in the first degree. Second, that he is not guilty.

Attorney Frank P. Walsh made the principal argument for Hyde and County Prosecutor Vigil Congling represented the state.

Mr. Walsh argued that the opinion of the supreme court, by which the first trial of Dr. Hyde was reversed and resuspended, attacked the evidence of the state as not showing that Colonel Swope died of poisoning as charged but rather that death was due to senile debility.

DISCARDED STOCKINGS

HELD \$1,500 CASH

Los Angeles, April 24.—While traveling to this city, Mrs. Frances Held, of Danbury, Conn., inadvertently threw a pair of stockings out of the window of a fast Santa Fe train a few miles west of Albuquerque.

Soon afterward she discovered that she had left a roll of \$1,500 in bills in the toe of one of the stockings, and she appealed to Conductor Milo Thompson for help to recover it.

At the next station Thompson wired back to the agent at Albuquerque to make a search, which was done, and the stockings and money were found.

This information was wired to Winlow, Ariz., and when Mrs. Held's train arrived there the company's representative handed her the cash.

THREE LEGGED CHICKEN

SINGS LIKE A BIRD.

Atlanta, Ga., April 25.—A three-legged chicken with a voice like a mocking bird, is the unique freak brought to the Journal office by Sam Jones, a colored man of Old Wheat street.

Jones declares that the chicken was hatched five days ago with a number of other perfectly regular little fowls and that its peculiarities were not noticed until Thursday afternoon, when he and several other members of his family were attracted to the coop by the singing.

The passage of the Canadian reciprocity bill shows how smoothly the Democratic legislative machine is working.

CHILD DEAD

The Daughter of Mr. and Mrs. Guy Hardy Passed Away.

The sympathy of the entire city goes out to Mr. and Mrs. G. H. Hardy in the death of their daughter, Mary Elizabeth. This innocent jewel was only permitted to sweeten this home for a term of two years. She slipped away to heaven this morning at 7:30 o'clock. She had suffered for some weeks with bronchitis and all that the skilled physician and loving hands could do were performed but without avail. God called and she answered. The sympathy of the entire community goes out to the grief stricken parents. They should remember that God's ways are past understanding. May the same hand that has wounded be the same to comfort and succor. Earth has lost but heaven has gained. The funeral will take place tomorrow afternoon from the residence at 2:30, conducted by Rev. H. B. Searight, pastor of the First Presbyterian church. The interment will be in Oakdale. The sympathy of the entire city goes out to the grief stricken parents.

MUCH ENJOYED

The Lecture on Korea at First Presbyterian Church.

Those who attended the First Presbyterian church last evening to hear Rev. J. F. Preston, a returned missionary from Korea were much instructed and entertained.

The address was instructive as well as entertaining. The speaker is a graduate of Princeton University, being a classmate of the pastor of this church, Rev. H. B. Searight. He has done a splendid work in that foreign country and has returned to tell the people of America the opportunities for advance work in that inviting field.

Quite a number were present and today we hear nothing but the highest praises for the address. What in the city the speaker was the guest of Mr. and Mrs. Charles M. Brown, Jr., on Bonner street.

All who heard Rev. Mr. Preston last night were amply repaid.

Gen. Leonard Wood complains of the "decline in militarism" in this country. His own rise in militarism was rapid enough, goodness knows.

PUBLIC LIBRARY FOR WASHINGTON

All Should Work Hard for the Library and Help a Noble Cause.

MONEY NOW BEING DONATED

The Country Club Donates its Furniture to the Amount of \$55. — Should be Donated to the Library. The Growth of the Membership is Encouraging.

Think of the Library. Talk about the Library. Work for the Library. That is what many are doing now. Will you not join the volunteers, and help in this noble cause? "United we stand, divided we fall." Every man, woman and child should have a hand in the building up of the public library. It is the duty and should be the pleasure of 300 citizens to become members.

At the Woman's Betterment Association yesterday afternoon twenty-five dollars was donated to buy periodicals for the Library.

At the meeting of the Country Club last night, it was decided that the furniture, amounting to 55 should be donated to the Library, subject to the approval of each member. Said member would be given as his individual share only \$1.22, so it is very probable that there will not be a dissenting voice.

It is encouraging to note the growth of membership, watch the chain lengthen and add a link when you can. Yesterday there were only 30 names:

- 1 Mrs. Charlotte McConnell.
