Member on Ways and Mer Committee on Recipriocity

(By Clyde H. Tavenner.) special correspondence to the Ne Washington, May 1.—Dorsey Backleford, of Missouri, a mem of the Ways and Manus committee the house has prepared one of the most illuminating letters on the subject of reciprocity that has appeared. The document has caused much discussion among members of Congressions to be widely circulated.

"The lumber trust and the paper trust are waging a fierce fight against reciprocity," says Mr. Bhackleford.

to get the farmers to join them.
Wherever possible they have enlisted the papers which circulate among the farmers. They try to make the farmers believe that, by reason of the tariff, he gets more than the fair narket price for his products.

"Canada has a tariff which oper-stes against our products sold in Canada. We have a tariff which op erates against Canadian products odify both tariffs with a
