**PERSONALLY CONDUCTED TOUR TO WEST POINT, NEW YORK, VIA NORFOLK AND NEW YORK CITY VIA NORFOLK SOUTHERN RAILROAD**

Leave Raleigh, Goldboro, Beaufort and Oriental. And International Stations—Thursday, June 15th, 1911.

Another attractive personally conducted tour has been arranged by the Norfolk Southern Railroad at phenomenally low rates. The destination will be West Point, N. Y., on the Historic Hudson River with five whole days to do New York City.

Rates include Pullman, and state room accommodations and all meals enroute to and from New York City and hotel (room only) for 5 days in New York City.

From Raleigh, N. C. \$29.85  
 From Wilson, N. C. 29.35  
 From Goldboro, N. C. 29.35  
 From Kinston, N. C. 29.35  
 From New Bern, N. C. 29.35  
 From Greenville, N. C. 29.35  
 From Washington, N. C. 29.35

The rates will be less if Pullman accommodations are not required to Norfolk, Va.

The party will be under the charge of Mr. and Mrs. Horace B. Dowell and Miss Flora Creech of Raleigh, N. C.

A most attractive itinerary has been arranged—including a day at Virginia Beach. The trip from Norfolk to New York will be via the Old Dominion line which sails from Norfolk June 16th. Arriving at New York at 2:00 p. m., June 17th, the party will be quartered at the Hotel Halborough, 33c street and Broadway.

Monday, June 19th, the party will go to West Point, N. Y., the seat of the United States Military Academy. West Point is located upon a high bluff overlooking the Hudson river

about 50 miles from New York City. The government has spent countless millions in making the Military Academy the most attractive "war school" in the world.

It is needless to elaborate upon the magnificent scenic beauty along the Hudson River, it is incomparable.

Five days in New York will be hardly time enough to see the wonders of the great American Metropolis—but much can be seen in that time.

The party will leave New York, returning by the Old Dominion line, at 2:00 p. m. June 23rd, arriving "home" on the afternoon of June 24th.
