**RESOLUTIONS**

At a regular meeting of the Board of Directors of the Bank of Washington on June 22, the following resolutions were unanimously adopted:  
The Board of Directors of this bank and all of its officers and employees have heard with unfeigned sorrow of the death of Dr. Wm. A. Blount, who was a Director of this bank since its organization on February 1, 1893.  
During his service on this board, Dr. Blount has been a most diligent, faithful and efficient Director; wise in counsel; firm in the discharge of what he believed to be his duty and always subserving and promoting the interest of the stockholders and the patrons of the bank.  
As a resident of Washington, his native place and where he spent his entire life, Dr. Blount occupied a commanding position and enjoyed the respect and esteem of all.  
We deeply deplore the loss of this valued citizen, christian gentleman and physician, and we extend to his family our sincerest sympathy.  
The cashier will cause copies of these resolutions to be transmitted to Mrs. Blount and to the local press.

**FELT BAD ALL THE TIME**  
Shellhorn Lady Suffered a Great Deal, But Is All Right Now.

Shellhorn, Ala.—In a letter from this place, Mrs. Carrie May says: "A short time ago, I commenced to have weak spells and headaches. I felt bad all the time, and soon grew so bad I couldn't stay up. I thought I would die. At last my husband got me a bottle of Cardui, and it helped me; so he got some more. After I had taken the second bottle, I was entirely well. I wish every lady, suffering from womanly trouble, would try Cardui. It is the best medicine I know of. It did me more good than anything I ever used."  
Cardui is a woman's tonic—a strengthening medicine for women, made from ingredients that act specifically on the womanly organs, and thus help to build up the womanly constitution to glowing good health.  
As a remedy for woman's ills, it has a successful record of over 50 years.  
Your Druggist sells it. Please try it.

**NEEDFUL KNOWLEDGE**  
Washington People Should Learn to Detect the Approach of Kidney Disease.  
The symptoms of kidney trouble are so unmistakable that they leave no ground for doubt. Sick kidneys excrete a thick, cloudy, offensive urine, full of sediment, frequent passage or attended by a sensation of scalding. The back aches constantly, headaches and dizzy spells may occur and the victim is often weighed down by a feeling of languor and fatigue. Neglect these warnings and there is danger of dropsy. Any one of these symptoms is warning enough to begin treating the kidneys at once. Delay often proves fatal.  
You can use no better remedy than Doan's Kidney Pills. Here's what Dr. J. B. Peed, E. Second Street, Washington, N. C., says: "I considered Doan's Kidney Pills a remedy of merit. Backache bothered me and there were pains across my loins. These symptoms of kidney trouble showed that something must be done. The kidney secretions were also irregular in passage and contained sediment. I used two boxes of Doan's Kidney Pills as directed and they entirely relieved me. There has never been any recurrence of my complaint."  
For sale by all dealers. Price 50 cents. Foster-Milburn Co., New York, sole agents for the United States. Remember the name—Doan's—and take no other.
