PROZEN IN A HALL WAY WHERE IT HAD LAIN NIGHT.

WAS NATIVE OF BALTIMORE

NATIVE CITY—HAD BEEN A RESIDENT OF NORFOLK ABOUT EIGHTEEN MONTHS.

Frozen stiff and as blue almost as indigo, the body of M. Refkovitz, a tailor, 50 years old, was found at the bottom of the stairway leading to the the body was jurned over to Funeral Director Warren, on Freemason street to be prepared for buria!

That death resulted from exposure.
His family in Baltimore has been notified and the dead man's friends are awaiting instructions from his wife or one of his children as to what dis-position is to be made of the tody. The discovers of the corpse occur-

red shortly before 9 o'clock, when Mr. Becker, by whom Refkevitz was employed, opened the front door leading up stairs. An examination promises to be the most valuable constructive legislation of recent years.

Speaker Clark says that the mind can not great the mind can be true to get to his feet ngain, this morning, which is decidedly taken the mind can be true to death.

MIDWINTER SKIES Refkovitz was endeavoring to get in of sufferers, but after considerable me in the year do such to the tailoring establishment to it was trained by the spend the night he fell down stairs. people who had a key to the lock.

Mr. Refkorth came here from Bai-timore about eighteen months ago and was constowed a skilled tailor.

THE YEAR'S HOOKWORM **CAMPAIGN MOST SUCCESS FUL52 911 CASES TREATED**

The annual report of Dr. Perrell in charge of the State, Campaign Against Hookworm Disease, sums up the activities accomplished during the year 1911. Some of the are as follows:

Sanitary surveys have been completed in forty-three counties. State and County dispensaries for the free examination and treatment of hookworm disease have been operated in sixteen counties. At these dispen-saries 63,825 have been examined and 28,202 treated. These treated cases added to 24,709 which the physicians over the state have treated show that 52,911 people have been HE LEAVES A FAMILY IN HIS treated since the campaign opened.

NATIVE CITY—HAD BEEN A The work is now being done in five counties and there remain on the waiting list six countles, making wenty seven counties making the appropriation for the dispensaries.

During the year there have been distributed something, like 200,000 disease to people from all sections of the state, and about 500 public addresses delivered to approximately 50 000 people. The work accomplishestablishment of A. S. Becker, over 329 Main street, this morning. After it was viewed by the City Coroner, because of the number, treated for because of the number treated for hookworm dischap, but also for the activity that has been arouged among \$it is believed that the man had with sanitary surface closets to recen dead since Saturday night and place the unsanitary ones common.
