Washington's Chamber of Com-merce has laid the foundation for the accomplishment of great results the coming year. Its president, Mr.

the accomplishment of great results the coming year. Its president, Mr. C. M. Brown, is a man of sterling worth, who at all times has the best interest of the city at heart; one who has always reapponded when support was needed to promote worthy and meritorious enterprises seeking to locate here.

Mr. C. A. Flynn, Secretary, is a live wire, progressive, active and heemity on the qui vive. Mr. Flynn is secretary of the Harris Hardware Co. and his duties there occupy, what to ordinary men would be, all of their lime, yet he finds time to keep in touch with what the dutiids world is doing and is constantly pulling on some wire which he hopes will be the means of connecting came substantial enterprises with Washington.

The following officers and board of directors were elected for the ensuing year; President, Geo. T. Leach; vice-president, S. S. Spruks; Pr. Ryman, Geo. A. Phillips and Geo. T. Leach. Since the list meeting this company has sustained a severe loss by five, amounting to \$115,000, and while such reports are not the kind that usually stimulate capital, these rentlemen have rebuilt a much larger and more modern and up-to-date plant and are now about ready to remain and are now about ready to remain and are now about ready to remain and the properties of the constitution of the
