A World Wide Week of Prayer to be Observed Throughout the Country

Next Week Time Named by Committee

Services to be Held in St. Peter's Church, This City, Each Evening Under Auspices of Brotherhood of St. Andrew

For many years past there have been observed by various branches of the Christian Church or by organizations and societies therein, definite periods of prayer of greater or less duration. The Y. M. C. A. and kindred bodies have not exact special days or weeks of intercession appropriate to their particular kind of work. Of recent years there has grown up a feeling among those most interested in matters of this sort that there should be some concentration of these forces—some unity of time and method. With that object in view there met in the city of Chicago in May, 1910, representatives of the Presbyterian Brotherhood of America, and Brotherhood of St. Andrew and Philip, the Methodist, Baptist and Congregational Brotherhoods, the Brotherhoods in the Southern Presbyterian Church, the Brotherhood of the Disciples of Christ, the United Brethren in Christ, the Lutheran Brotherhood, the Brotherhood of St. Andrew, the Young Men's Christian Association and the American Federation of Men's Church Organizations. These held what was termed as "Inter-Brotherhood Conference" and one result of their discussions was an agreement to set apart each year as a "World-wide Week of Prayer" the week just preceding Easter Sunday.

That week was observed last year by thousands of churches of almost every denomination throughout the world. It was a most glorious and successful service which will be made this year from March 31 to April 6 by an even larger number of churches, and it is hoped that ultimately all bodies of Christians everywhere will be found making this week one of special intercession for the spread of the Kingdom of God on earth.

Special to the Daily News. Washington, D. A margin of only five votes now exists between the two parties in the Senate. The outgoing list, numbers seventeen Republicans and thirteen Democrats. Among them are some of the most influential members of the upper house, on the Democratic side as well as on the Republican side.

The seventeen Republicans are Messrs. Cullom of Illinois, Nelson of Minnesota, Richardson of Delaware, Wetmore of Rhode Island, Warren of Wyoming, Smith of Michigan, Kenyon of Iowa, Guggenheim of Colorado, Gamble of South Dakota, Dixon of Montana, Curtis of Kansas, Crane of Massachusetts, Burnham of New Hampshire, Brown of Nebraska, Briggs of New Jersey, Beaure of Oregon and Borah of Idaho.

The Democratic senators whose term will expire next March are: Davis of Arkansas, Bacon of Georgia, Paynter of Kentucky, Foster of Louisiana, Gardner of Maine, Percy of Mississippi, Simmons of North Carolina, Owens of Oklahoma, Tillman of South Carolina, Taylor of Tennessee, Bailey of Texas, Martin of Virginia and Watson of West Virginia.
