NOTICE OF FORECLOSURE SALE

Under and by virtue of the power of sale contained in a certain mortgage deed executed on the 10th day of February, 1912, by and between J. A. Wilkinson, S. W. Wilkinson and Wife Patsie S. Wilkinson to W. B. Moses & Sons, a corporation, which said instrument is recorded in Book 170, page 459 of Beaufort County Records, which is hereby referred to for its terms; default having been made in the payment of the indebtedness secured by the said mortgage the undersigned will on the 1st day of May 1912, sell to the highest bidder for cash at 12 o'clock noon at the Court House door of Beaufort County to satisfy the indebtedness secured by said mortgage the following described tracts or parcels of land, lying and being in the County of Beaufort, State of North Carolina, Pantego Township and described as follows, to-wit:

FIRST TRACT: A portion of the "Pantego Swamp" contained within the boundaries of the Ann Blount deed, lying west of the Norfolk-Southern Railroad, and on the South side of said swamp and adjacent to the Long Southern Collins line, which is the Southern boundary line of the Ann Blount deed and containing, by calculation, Five Hundred and fifty one and one half acres, to-wit: Beginning at the point in the Long Collins line above referred to and West from said Norfolk-Southern Railroad, as measured along said line a distance of Five Hundred and Ninety Two poles, and running thence North 32 1/2 East 87 poles to a corner in the swamp; thence North 50 West 873 poles to another corner; thence south 40 west 297 poles to a corner in the Collins line North 89 East 502 poles to the line above referred to; thence along said Collins line north 89 East 502 poles to the beginning. It being the second of two tracts of land described and conveyed in a deed from John L. Roper Lumber Company to said parties of the first part dated March 15th, 1905 and duly recorded in the Register's Office of Beaufort County, in Book 131, Page 527 530, to which deed reference is hereby made.

SECOND TRACT: Beginning at a post oak, the North East corner of the tract of land conveyed by Guilford H. Waters and wife to J. A. & S. W. Wilkinson, and running North 55 East with a line of marked trees 81 poles to a corner; thence North 59 West 142 poles with a line of marked trees to a wife fence; thence with said wife fence South 58 West 15 1-4 poles to the corner of said wife fence at a ditch; thence North 58 West with said ditch and fence 30 poles; thence North 44 West with said wife fence 10 poles; thence north 89 1-2 West with said wife fence 32 poles; thence North 58 1-2 West with a ditch and line of marked trees 27 1-8 poles to a lightwood post; thence south 54 1-2 West 37 1-4 poles with said line of marked trees to the North West corner of said tract of land conveyed by Guilford H. Waters and wife to said J. A. & S. W. Wilkinson; thence with said line of marked trees South 52 1-2 East 233 poles to the beginning. Containing 85.8 acres more or less, as surveyed and platted by John T. Windley, on or about February 16th, 1907, the courses being given being the magnetic courses on that date; and said tract of land being the same conveyed to J. A. Wilkinson L. T. Houston, as guardian and A. D. MacLean, as Commissioner, by deed dated April 16th, 1907, and duly recorded in said Register's Office of Beaufort County, in Book 147, Page 71, to which reference is hereby made.

THIRD TRACT: Beginning in the line between Lot no 1 and Lot no 2 at a post oak, and thence running South 52 1-2 West 70 poles to a stake in Hancock's most Southwardly line; thence with said line North 48 1-4 West 226 poles to the most westerly line of Joseph Hancock, a red bay; thence North 55 1-4 East 52 poles; thence South 52 1-2 East 223 poles to the beginning, containing 85 3-4 acres, as surveyed by John T. Windley on March 5th, 1906, the courses being the magnetic courses on that date; and said land being the same conveyed to said parties of the first part by Guilford H. Waters and wife by deed dated November 3rd 1906, and duly recorded in said Register's Office of Beaufort County, in Book 142, Page 389, to which reference is hereby made.

FOURTH TRACT: Beginning at the North East corner of Ransom W. Harris' entry or patent, above stake in the West most line of the Loyd and Allen patent and running thence with said patent line North 45 East 18 poles to the corner of said patent thence North 35 East 100 poles to a post, granted to W. E. Wright and John Whitley, thence with the line of said patent North 58 West 155 poles to a patent granted to Ruel Windley and Thomas Boyd; thence with the line of said patent South 45 East 30 poles to a corner; thence with the line of said patent South 45 West 97 1-2 poles to the North West corner of Ransom W. Harris' aforesaid entry or patent; thence with the said patent South 58 East 158 poles to the beginning. It being known as the Ransom W. Harris grant for One Hundred acres, and being the same conveyed by D. B. Nicholson, Commissioner, to said J. A. Wilkinson by deed dated February 2nd, 1896, and duly recorded in said Register's Office of Beaufort County, in Book 128, Page 120, to which reference is hereby made.

READY FOR BOSTON MARATHON

Special to the Daily News. Boston, Mass., April 18. -Interests in the sixteenth annual American Marathon race, to be conducted tomorrow under the auspices of the Boston Athletic Association, has lived to a noticeable extent with the near approach of the date for the race. This year's contest will be the official try out in the East for the Olympic Marathon team, and as a natural consequence the number of entries is larger than ever before. The entries come from many points in New England, New York and eastern Canada.

Coffee Goodness Proven by a Century of Use. There is something wonderfully satisfying and fascinating about this coffee blend that has been in daily use for over a century. Something far different from ordinary coffees. This is the coffee that was served in the quaint French Market, New Orleans, to society belles and beaux of the olden time. And that was so liked by Andrew Jackson, Henry Clay and other famous men. It is today the same identical, deliciously aromatic blend that was famous over a hundred years ago. These you could get this coffee with a history - the real French Market Coffee.

French Market Coffee. Only at the French Market, New Orleans. But NOW you all may serve it daily at your own table. For the old French Market blend is perpetuated by The Same Unique Hygienic Roasting Process and delivered everywhere in perfect aroma and strength in hermetically sealed tins. Injurious elements are roasted out of French Market Coffee. In New Orleans, for hundreds of years, it has always been the custom to drink cup after cup, even at midnight. You may do the same today. Be sure you get the genuine. There is only one real old French Market flavor. At All Grocers. Blended, Roasted and Ground only by the French Market Mills (New Orleans Coffee Co., Ltd., Proprietors) New Orleans, La.

Piano Comfort. WONDERFUL how a nice piano gives an air of quiet comfort to a room! And not only that but it fills up the room with an air of elegance and refinement. Outward appearance is not everything in a piano. You want tone and musical fitness. To be satisfied you must get an instrument that will suit your room and tastes. We have made a close study of this and if you will let us guide you, we guarantee an instrument that will please you in every possible particular - quality, tone, finish and pocket. Come in and inspect our stock today.

SOUTHERN FURN. CO. The Place for Good Furniture Washington, N.C. All who needs some 16x20 Picture Frames. We have the finest line of them you ever saw, and the price the cheapest. Bakers Studio. FARMERS are entitled to the best and when they have the opportunity of selecting they call for Pamlico Brands. The best farmers in this section use PAM-LICO BRANDS. DO YOU? Ask your dealer for our goods if you want a better quality for your money. When your CROPS use our goods they won't be satisfied with any other. Ask them and they'll answer you next fall with an increased yield. Pamlico Chemical Co., Washington, N. C. Branch Factory England.

It's the gain per acre you want. It's the gain per acre we can guarantee you use Hydrated Lime.

Here's what it will do for cabbage. The use of 1,200 lbs. of lime per acre in the spring 1908 increased the yield of cabbage 100 per cent as compared with an additional plot similarly fertilized but not limed. The weight of the individual heads was increased 20 per cent. Come in and let us tell more about this fertilizer.
