Rev. Dr. S. E. Mercer, president of Carolina college, who has been the guest of Rev. B. H. Broom, left on the A. C. L. train this morning for his home in Maxton. He was much pleased with Washington and with the interest taken in the young and growing institution which he represents at Maxton, N. C.

SPORTS

Pitcher Walter Johnson, of the Washington team, looks to be the same old demon with the fast shooters.

Pitcher George Mullin, of the Tigers, is out to beat Cy Young's record for years of major league pitching.

The St. Louis Browns took away a barrel of money from Chicago as their share of the gate at the opening series.

The major league clubs are not giving out the attendance this season, so it's now up to the scribes to make estimates.

Manager Jack O'Connor, of the Cleveland team in the United States League has signed Joe Delehanty, the former Toronto player.

Manager Cantillon of the Minneapolis club has appointed Dan Sweeney, the old Louisville player, custodian of the Millers clubhouse.

The Iron-Copper Country League will open the season May 18, Calumet, Marquette, Ishpeming and Negaunee form the circuit of the league.

The Jersey City Club has a five year lease of the cricket grounds in Hamilton, Bermuda, where the Skeeters trained during the spring.

The Philadelphia Nationals have had more men out of the game on account of injuries, so far this season, than any other club in the major leagues.

The New England League got away to a good start this season, and the playing strength looks to be pretty evenly divided among the eight clubs of this league.

Capt. Anson, the famous old Chicago player, has tied up with the new United States League, which will assign him to one of its eight clubs later in the season.

Shortstop Hauser of the St. Louis Cardinals, put one over on Jim Sheckard of the Cubs, the other day, when he worked the hold "hidden ball" gag on Jones.

There is still hope for the Highlanders. Only a few years ago a Boston team started off the season with nine straight defeats, and yet it won the championship.

The Minnesota-Wisconsin League will have but four clubs this season: Vionna, La Crosse, Eau Claire and Rochester form the circuit that will start to do business May 14.

Hugh Bradley, of the Boston Red Sox, sprang the folling "daffy" on Eddie Riley the other day: "If a brass band went on a strike would the drum stick?" Answer: "No it would beat it."

WITH THE BOXERS

Abe Attell and Tommy Murphy will probably hook up in another bout sometime in June.

Jimmy Gardner and Howard Baker have signed for a muss to take place in Denver on May 1.

Sandy Ferguson looked like a real "come back" in his recent bout with Morris Harris in Boston.

Newburg, Ala.—"For more than a year," writes Myrtle Cothrum, of this place, "I suffered with terrible pains in my back and head. I had a sallow complexion, and my face was covered with pimples. Our family doctor only gave me temporary relief.

A friend of mine advised me to try Cardui, so I began taking it, at once, and with the best results, for I was cured after taking two bottles. My mother and my aunt have also used Cardui and were greatly benefited.

I shall always praise Cardui to sick and suffering women."

Cardui is a purely vegetable, perfectly harmless, tonic remedy for women, and will benefit young and old.

Its ingredients are mild herbs, having a gentle, tonic effect, on the womanly constitution.

Cardui has helped a million women back to health and strength.

Have you tried it? If not, please do. It may be just what you need.
