COX MFG. PLANT NOT BURNED

Several days ago this paper published a story to the effect that the A. G. Cox Manufacturing Plant at Wainterville, Pitt County, had been destroyed by fire. We are glad to learn that this was an error. Instead of the manufacturing plant smith proper being consumed by fire it proved to be the gin house of the Pitt County Oil Mill. The Daily News was told of the fire by a citizen of this city who received a phone message. We take pleasure in making the correction.

Oh how dusty dusty dusty, Making furniture look rusty, When the breeze is stirring briskly, And the ground is dry and crispy, In Washington.

Oh this dust makes air so dusky, Makes us all feel dull, yes husky, As the breeze stirs up those scaly Microbes: We eat them daily In Washington.

Horses stir up dust so thickly And we breathe it makes us sickly, Why this air with dust kept hazy, Can but set us almost crazy In Washington.

Automobiles are getting within the means of modest, pursed people. Now is the time for you to secure the best Washington Park addition lot that ever will be within your power to secure. Better see me at once.

A. C. HATHAWAY.

WHICH?

'Tis not dusty dusty dusty, So our furniture looks lustry, And our carpets we brush lightly, Stay clean and looking brightly, In Washington Park.

Breeze here so pure and healthy, Makes us rich in health, yes wealthy, Then no dust to make us huffy, So feel gay like Fluffy Ruffy, In Washington Park.

Dustless air we have it dandy, Yes and picturesque scenes so handy, Come then build your cottage cozy And your life will be so rosy In Washington Park.

Judge For Yourself

Which is Better—Try an Experiment or Profit by a Washington Citizen's Experience. 'Somethings new is an experiment. Must be proved to be as representative.

The statement of a manufacturer is not convincing proof of merit. But the endorsement of friends is. Now supposing you had a bad back a lame, weak, or aching one, Would you experiment on it? You will read of many so-called cures.

Endorsed by strangers from far-away places. It's different when the endorsement comes from home. Easy to prove local testimony. Home endorsement is the proof that backs every box of Doan's Kidney Pills.

Read this case. Mrs. L. E. Everitt, 132 Brown St., Washington, N. C., says: 'About a year ago I used Doan's Kidney Pills for a lame and aching back. My kidneys were weak, the kidney secretions bothered me and other symptoms of kidney complaint were in evidence. Doan's Kidney Pills improved my condition greatly.'

For sale by all dealers. Price 50 cents. Foster-Milburn, Buffalo, New York, sole agents for the United States. Remember the name—Doan's—take no other.
