GOOD ROADS ADDRESS MADE IN AFTERNOON

Both Belhaven and Vandemere Trains to be Held Until Five O'clock so as to Give All The Farmers Chance to be Present.

The Farmers Meeting to be held here on next Friday promises to be a gala occasion and it behooves every farmer in Beaufort county to be present as matters of vital importance are to be discussed by men prominent and high up in agriculture. The time has come when the farmer must keep abreast with the times, unless he does, failure is sooner or later bound to be the result.

Congressman Small and several gentlemen are now making a tour of the First Congressional district holding these farmer institutes and Mr. Small is especially desirous and anxious that there be a good attendance at the meeting scheduled for this county.

In the afternoon of Friday at three o'clock Mr. Stacey will address the farmers and all others present upon the great question of Good Roads. There is nothing today that is attracting more attention in the south than good roads. Arrangements have been made whereby the Belhaven train on the Norfolk Southern road, and the Washington and Vandemere train will be held here Friday afternoon until five o'clock. This will afford all visiting farmers from those sections an opportunity to hear the address on good roads. A great day is looked for Friday and let every tiller of the soil be on hand. The meeting will take place in the Court-house.

WILSON GAINS ONE OF CITY'S POPULAR YOUNG MEN.

One of Washington's popular and highly esteemed young men in the person of Mr. Claude E. Jordan, Jr., has received a meritorious promotion by the Atlantic Coast Line and he left this morning for Wilson, N. C., his future home, where he is to be the company's cashier in their freight department in that town. Mr. Jordan "made good" with the company from the very start which was about four years ago, when he accepted a position with the company as an apprentice. By close attention to his duties, affableness of manner and

NO POLLUTION.
The Washington Light and Water Company has just received another report from the State Board of Health as to the condition of the city water. The sample was sent from here on August 9 and analyzed on August 13. The report shows no pollution. This is the second report received by the company since the water was reported to be polluted. The last report is a decided improvement over the first one received. The water is now wholesome and without pollution.

BILLION DOLLAR LAWN PARTY BY HENRY O. FRICK

BOSTON, Mass., Aug. 14.—The "billion-dollar lawn party" which Henry O. Frick, the steel magnate, is to give at his Friden Crossing estate on Friday night of this week, promises to establish a new high-water mark for lavish entertainment among the North Shore colony, whose summer residents include many of the wealthiest and most prominent families in all sections of the country. Excepting President Taft, every man present will be a millionaire, and the entire affair will be conducted on a scale of magnificence calculated to make the old New Englanders gasp with wonder.

A Nahaat contracting firm has signed a contract which obliges them to lay a smooth and perfect dancing floor on the Frick lawn between the hours of 7 and 9 on Friday evening and to take it up again between the hours of 1 and 3 on the following morning. This contract is typical of all the arrangements that have been made for the fête. It is Mr. Frick's intention that his lawn shall present its usually orderly and well-kept appearance at dark on Friday evening and again at daybreak on Saturday morning, but for the four hours between 9 p. m. and 1 a. m. it will be transformed into a fairland. It is said that the party will represent the largest gathering of millionaires ever assembled at one time in this or any other country.

Mrs. J. P. Jackson and daughter, Kathleen, and Miss Stella Robinson, left this morning via the Atlantic Coast Line for Norfolk, to visit the family of Capt. W. L. Lipecomb.

WOODROW WILSON Scholar and Statesman, Democratic Candidate for President.

HON. WILLIAM J. BRYAN:
"Governor Wilson's speech of acceptance is admirable. It is original in its treatment of the issues of the campaign. I am sure the address will impress the country favorably."

JOHN W. KERN, SENATOR, INDIANA:
"Governor Wilson's speech of acceptance is a masterpiece, setting forth with great clearness his conception of the work to be accomplished by the Democratic party under his leadership. It is in complete harmony with the progressive sentiment of the country, but also appeals strongly to every legitimate business interest."

GOV. WILLIAM H. MANN, OF VIRGINIA:
"I think it was an admirable speech. It was wise, conservative, comprehensive, prophetic not only of Democratic success but of Democratic supremacy, for years to come."

GOV. FREDERICK W. PLAISTED, OF MAINE:
"It is a splendid presentation of the issues for the American people. It rings true in every sentence and in every word. It represents the spirit of the Democracy of today. It is the address of a statesman."

GOV. EUGENE FOSS, MASSACHUSETTS:
"It was an admirable presentation of the real issues upon which the campaign will be fought this fall. I think that it is bound to strengthen Governor Wilson among the thinking people of the country."

GOV. GEO. W. DONAGHEY, ARKANSAS:
"It was a great speech. It will ring through the country. It is just what he should have said. The people have never felt more confident of success since the first nomination of Gagey Cleveland."

JUDGE MARTIN J. WADE, IOWA:
"For the first time since the state was admitted to the Union, Iowa will this year give its electoral vote to the Democratic nominee for President."

THOMAS MOTT OSBORNE, AUBURN, N. Y.:
"Governor Wilson's speech fits the occasion and the man; progressive but not wild; sane, strong and unmistakably Democratic. It makes an inspiring opening of the campaign, indicating clearly and nobly the spirit in which the leaders of our regenerated Democratic party must work; not one of mere partisan make-believe, but of honesty and justice toward all men."

NEW YORK "SUN":
"Governor Wilson's speech of acceptance has good luck as well as merit. It comes just in time to contrast sharply with the inimitable Bedlamite rant of Th. Dentatus Africanus Perot. And, if without contempt of campus it may be said, though written by a college president, very recently retired, it is in the English language, not anemic and seldom with suspicion of priggishness or donnishness, though it has an air, a certain academic distinction of its own. What will please everybody who has a living to make is Governor Wilson's equable and moderate tone. Governor Wilson is for repair, not for destruction."

NEW YORK "TIMES":
"It is applicable. The dominant thought, the very soul of his discourse, is the common interest of all the people, their partnership in our activities and our prosperity. The partnership idea comes from his mind, not as a sublimated political theory, but as a practical, immediate remedy."

NEW YORK "WORLD":
"Governor Wilson's speech of acceptance is the ablest, clearest, sanest statement of high public purpose this country has known in a generation. Without passion, without invective, without abuse, without partisan bitterness, without denunciation, without egotism, without demagoguery, he has driven straight to the heart of the supreme issue of American institutions—the partnership between Government and Privilege."

JOHN E. LAMB, EX-REPRESENTATIVE FROM INDIANA:
"Speech is discreet, able, safe and sane. Governor Wilson believes in the efficacy of the scalpel rather than the big stick. His dissection of trust and tariff evils is unique and convincing. His suggestions of reform in methods of government and reduction of tariff schedules will meet with approval of legitimate business and the laboring masses as well."

CHAMP CLARK, SPEAKER OF THE HOUSE OF REPRESENTATIVES:
"Considered from a literary standpoint Governor Wilson's speech of acceptance will take high rank in the political output of the year. It will make pleasant reading, and, therefore, will prove a fetching campaign document. He discusses the issues of the day philosophically, clearly and forcibly. Its courteous tone will ally opposition and win him friends. It is an admirable pronouncement."

JOHN A. DIX, GOVERNOR OF NEW YORK:
"Governor Wilson's speech of acceptance is marked with broad vision and clear thought, expressed in language every American can understand. As a business man and manufacturer, I am especially pleased with his positive and statesman-like position on the paramount issue of tariff reform, and his demand for an immediate downward revision. In sincerity, precise statement and comprehensive grasp of great principles and their application of the fundamental needs of the country, the speech is Jeffersonian to the core. It contains no appeal to passion and excites no prejudice. Governor Wilson has presented to his party and to the nation, clear conception of the truth that the real struggle in the pending campaign is between the concentrated powers of privilege and the aspiration of the American people to realize, in their government, and their economic, industrial and social relations, the full measures of the principles of freedom, justice and progress upon which the republic was founded. To all the issues and every national need, Governor Wilson applies the 'Rule of right and common advantage.' The reforms he advocates are far reaching, but they are necessary, sound and practical. The speech will awaken and stir the national conscience and lead to a triumph that will restore to the people the control of their government and inaugurate a new and happier epoch in the life and development of the republic."

HOKE SMITH, SENATOR FROM GEORGIA:
"I am delighted with Governor Wilson's speech of acceptance. It is a superb statement of the present purpose of the Democracy and points the way for justice to all through real progress by law, under the Constitution. With his election assured, it should give confidence to honest business and new courage to those who need a square deal."

JOHN F. FITZGERALD, MAYOR OF BOSTON:
"Governor Wilson's acceptance is characteristic of the man. He lays his soul bare to the people and asks them to join with him, irrespective of party, in righting present wrongs without undue clamor or injury to legitimate interests. He lays emphasis on constructive thinking and I believe this epitomizes one of the nation's greatest needs at the present time. It will be President Wilson overwhelmingly in November."
