Come on Broad Creek and give us some more of your blooms, or is it too late for you to be blooming.

Jake, what do you suppose is the trouble with Singleton? You haven't sent them up Salt River too, have you? Probably they are busted on apple dumplings.

Jakeville Jack we would be glad to send you some dogs to run them coons, but we think you and Jake Hardy are dogs enough. Anyway, if you are hog enough to eat a whole pot full of apple dumplings and bust yourself, you ought to be dog enough to tree all the coons there is in existence. Reckon you scared all the dogs to death when you exploded. I am sure it was an awful time when you busted and them apple dumplings went flying through the air. Jake, the reason you have so many coons is because you have so many gold fish, for Mr. Coon is very fond of fish.

We would be glad to have some of your coons come this way for we have some of the best coon dogs that you ever heard tell of, and no coons for them to run.

NOTICE.

To the Democratic Voters of the Washington, Long Acre and Chocowinity Townships: I beg to announce my candidacy for the office of Recorder in the above mentioned district, subject to the action of the Democratic primaries to be held September 7, 1912.

I was born and reared in the country and have always maintained my intimacy with the country people upon whom I greatly rely for my success in this undertaking.

Several years' experience in the court house in the Superior Court, in the Clerk's office and the office of the Register of Deeds has aided me greatly in becoming qualified to fill this office which I believe I can do to the satisfaction of the people of the community.

In addition to this I was city clerk in the city of Washington for two years, giving a \$15,000 bond, and secretary of the County Board of Elections, both of which positions I believe I filled acceptably.

Many of the country people know the treatment often received at the hands of the chief of police of the city of Washington, and if elected to the position of recorder it will be one of my most sacred duties to see that such abuses are not tolerated and that justice shall be meted out to all persons equally.

Respectfully, W. B. WINDLEY.

Best made of water have been called in this city and found satisfactory. The builders of the Columbian exposition constructed a battle ship of brick, so soon as you may remember, but it never amounted to anything, either as a sailing craft or as a floating fortress. We see now that it should have been built of cement. The tragedies of aviation keep pace with its achievements.

Better Paint

Better paint this year if your property needs it. Mistaken men have been waiting for paint to come-down. The cost of their job has gone-up not down; it always goes-up by waiting; never comes down. Better paint than Devco? There isn't any. Suppose one had waited 20 or 30 years ago for a better paint than Devco; how long would he have waited? how long would he still have to wait? The price a gallon makes some difference; yes, but not much; it's the paint that counts; the quality counts. It's the go-far that counts. Protection of property counts more yet. Better paint.
