MD. AYCOCK FOR COMMISSIONER

No announcement ever appeared in the Daily News which caused more general satisfaction than will the one for County Commissioner which appears in today's News for the first time.

We refer to the announcement of Mr. C. P. Aycock, of Pantego. Mr. Aycock is too well known by the people of Beaufort County to need any introduction, and a Board composed of such men as he will administer the County government in a businesslike manner.

Famous Kisses.
The first recorded kiss was the treacherous one given by Jacob to his father Isaac, when the former was masquerading as Esau. It is the first in a series of deceitful kisses recorded in history. There is a famous kiss in the "Beggars' Opera." It was given by Macbeath to Jenny Diver, and the unpleasant effect which it produced on him may be judged from the sarcastic remark, "One may know by your kiss that your gin is excellent." Petruccio gave his bride a kiss of enormous caliber. We are told that he "kissed her lips with such a clamorous smack that at the parting all the church echoed."

Judge For Yourself

Which is Better—Try an Experiment or Profit by a Washington Citizen's Experience.

Some things new is an experiment. Must be proved to be as representative.

The statement of a manufacturer is not convincing proof of merit. But the endorsement of friends is. Now supposing you had a bad back, A Lame, Weak, or Aching one. Would you experiment on it? You will read of many so-called cures.

Endorsed by strangers from far-away places. It's different when the endorsement comes from home. Easy to prove local testimony. Home endorsement is the proof that backs every box of Doan's Kidney Pills.

Read this case. Mrs. L. E. Everitt, 132 Brown St., Washington, N. C., says: "About a year ago I used Doan's Kidney Pills for a lame and aching back. My kidneys were weak, the kidney secretions bothered me and other symptoms of kidney complaint were in evidence. Doan's Kidney Pills improved my condition greatly."

For sale by all dealers. Price 50 cents. Foster-Milburn, Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—take no other.

NOTICE.

To the Democratic Voters of the Washington, Long Acre and Chocowinity Townships:

I beg to announce my candidacy for the office of Recorder in the above mentioned district, subject to the action of the Democratic primaries to be held September 7, 1912.

I was born and reared in the country and have always maintained my intimacy with the country people upon whom I greatly rely for my success in this undertaking.

Several years' experience in the court house in the Superior Court, in the Clerk's office and the office of the Register of Deeds has aided me greatly in becoming qualified to fill this office which I believe I can do to the satisfaction of the people of the community.

In addition to this I was city clerk in the city of Washington for two years, giving a \$15,000 bond, and secretary of the County Board of Elections, both of which positions I believe I filled acceptably.

Many of the country people know the treatment often received at the hands of the chief of police of the city of Washington, and if elected to the position of recorder it will be one of my most sacred duties to see that such abuses are not tolerated and that justice shall be meted out to all persons equally.

Respectfully,
W. B. WINDLEY.

Better Paint
Better paint this year if your property needs it. Mistaken men have been waiting for paint to come-down. The cost of their job has gone-up not down; it always goes-up by waiting; never comes down.

Better paint than Devco? There isn't any.
Suppose one had waited 20 or 30 years ago for a better paint than Devco; how long would he have waited? how long would he still have to wait? The price a gallon makes some difference; yes, but not much; it's the paint that counts; the quality counts.
It's the go-for that counts. Protection of property counts more yet.

Better paint.
