FOR RECORDER

To the Democratic Voters of the Washington, Long Acre and Chocowinity Townships:

I beg to announce my candidacy for the office of Recorder in the above mentioned district, subject to the action of the Democratic primaries to be held September 7, 1912.

I was born and reared in the country and have always maintained my intimacy with the country people upon whom I greatly rely for my success in this undertaking.

Several years' experience in the court house in the Superior Court, in the Clerk's office and the office of the Register of Deeds has aided me greatly in becoming qualified to fill this office which I believe I can do to the satisfaction of the people of the community.

In addition to this I was city clerk in the city of Washington for two years, giving a \$15,000 bond, and secretary of the County Board of Elections, both of which positions I believe I filled acceptably.

Many of the country people know the treatment which received at the hands of the chief of police of the city of Washington, and if elected to the position of recorder it will be one of my most sacred duties to see that such abuses are not tolerated and that justice shall be meted out to all persons equally.

Respectfully,
W. B. WINDLEY.

Better Paint
Better paint this year if your property needs it. Mistaken men have been waiting for paint to come-down. The cost of their job has gone-up not down; it always goes-up by waiting; never comes down.
Better paint than Devco? There isn't any.
Suppose one had waited 20 or 30 years ago for a better paint than Devco; how long would he have waited? how long would he still have to wait?
The price a gallon makes some difference; yes, but not much; it's the paint that counts; the quality counts.
It's the go-far that counts. Protection of property counts more yet.
Better paint.
