No doubt some of the New York police officials will postpone their usual vacation this year.

The good Old County of Pitt did her voting Saturday last and Old Beaufort expects to go and do likewise on September 7.

The warm weather that we are having just about now and the warm politics both hitting a fellow at one and the same time makes a mixture enough for all of us to shed coats, collars and shirt if needs be.

FOR RECORDERS

To the Democratic voters of the Washington, Long Acre and Chocowinity Townships.

I beg to announce my candidacy for the office of Recorder in the above mentioned district, subject to the action of the Democratic primaries to be held September 7, 1912.

I was born and raised in the country and have always maintained my allegiance with the country people upon whom I greatly rely for my support in this undertaking.

Several years experience in the court house in the Superior Court, in the Clerk's office and the office of the Register of Deeds has aided me greatly in becoming qualified to fill this office which I believe I can do to the satisfaction of the people of the community.

In addition to this I was city clerk in the city of Washington for two years, giving a \$15,000 bond, and secretary of the County Board of Elections, 50th of which positions I believe I filled acceptably.

Many of the country people know the treatment often received at the hands of the chief of police of the city of Washington, and if elected to the position of recorder it will be one of my most sacred duties to see that such abuses are not tolerated and that justice shall be meted out to all persons equally.

Respectfully, W. B. WINDLEY.
