STREET, BULLINE

OHIO STATE TO VOTE ON NEW CONSTITUTION

Columbus, Ohlo, Aug. 31,-Ind through out the State in the outcome of the day, when the veters of the common-wealth will be given an opportun-ity to decide the fats of the forty-two important amondments to the State constitution gravisionalis, adoped, the the recent constitutional convention constitution renvisionally adoped by
the regent constitutional convention.
Although personal inferests and
nerty politics are not parameum; in
the coming election, as they are in
regular election at which candidates for various public offices are
voted for, the campaign now gractically ended, was unusually spirited.
Some of the amendments, although
mits investant con. quite important from a judicial point of slew, did not svoke any material controversy, while others, material controversy, while others like the woman's suffrage; amend-ment, the license apparture. ment, the license propositions in regard to the initia-tive and referendum were made the subjects of lively controversies. Under the provisions of the law

only registered voters will be entitled to vote at the election on Tues-day next. This will probably reduce the number of votes that will be cast, but will not materially effect the result of the election. This is due to the fact that the law governing the Incomes, inheritances, franchise coming election was framed with a and minerals in situ are to be taxed. view of making it easier to change. The legislature is authorized to the constitution. At former consti-tutional elections it was necessary for a majority of all the voters taking part in the election to vote in favor of an amendment to se adoption; at the coming election. however, an amendment will be considered adopted if a majority of the voters voting on it should vote in its

The ballots to be used at the com tains the list of forty-one of the amendments to be voted on, while the proposition regarding the liquor icense occupies a-place by itself in the second column. There will be no "straight" ballots. Every proposal stands on its own merits and must be voted for or against separately by placing an X in the space designated for it. The work of counting the votes will be quite difficult and complicated and will occupy comid-

It all the am ould be adopted by the vote of th second be adopted by the folial a grac-boople, Oblic would obtain a grac-tically new constitution embodying some of the most radical and ar-stressive ideas advocated by political reformers in any part of the country Among the most important feature roposed are the following:

Legislation may be secured and the constitution amonded by the in-
