**What's the Reason**  
 Many Washington People in Poor Health Without Knowing the Cause.  
 There are scores of people who drag out a miserable existence without realizing the cause of their suffering. Day after day they are racked with backache and headache; suffer from nervousness, dizziness, weakness, languor and depression. Likely the kidneys have fallen behind in their work of filtering the blood and that is the root of the trouble. Look to your kidneys, assist them in their work—give them the help they need. You can use no better remedy than Doan's Kidney Pills.  
 Below is grateful testimony from a sufferer in this locality.  
 F. P. Avery, 190 Middle St., New Bern, N. C., says: "I have no reason to change my high opinion of Doan's Kidney Pills which I expressed through the local newspapers some years ago. I began using this remedy when I was suffering from kidney complaint and backache and it cured me."

**ITALIAN ACCUSED OF BOY'S MURDER.**  
 Washington, N. C., Oct. 14.—Tony Milano, an Italian shoemaker, was arraigned for trial before Justice Stafford today, charged with the murder of 12-year-old Harry Smith. The alleged crime was committed in September of last year and attracted wide attention at the time. The Italian, as charged by the police, murdered the Smith boy, who with other lads is said to have been teasing him, and then set fire to his shoemaker shop to hide the alleged crime.

And no privy in said city shall be used as a place for the deposit of human excrement until a written permit shall have been obtained from the Sanitary Inspector, who shall issue no permit for the use of any privy unless the same shall be found, after an inspection by him, to be so constructed as to prevent the access of flies to the excrement deposited therein; and shall, be so constructed as to permit the proper and easy access and removing of receptacles 20 inches in height and 20 inches in diameter, and shall be located so as to be easily accessible to the scavenger.

**THE ORDINANCE.**

 An ordinance providing for the cleaning of closets or privies within the corporate limits of the City of Washington, and keeping the same in good and sanitary condition:  
 Section 1. Be it ordained by the Mayor and Board of Aldermen of the City of Washington, that the cleaning of closets or privies within the corporate limits of the City of Washington, shall be done exclusively by the Sanitary Department of the said city, and that it shall be unlawful for any private person to do this work.  
 Sec. 2. Be it further ordained that the said closets or privies shall be properly cleaned and disinfected by said Sanitary Department, and the excrements from said closets or privies shall be removed in sealed barrels, or other covered receptacles, by said department and deposited or disposed of at such place and in such manner as shall be dictated by the Sanitary Inspector and approved by the Mayor and Board of Aldermen.  
 Sec. 3. Be it further ordained that the following fine or charge shall be made upon the owner or occupant of each premises whereon a closet or privy is maintained and used, which fine or charge shall cover the expense of said department for such work, to-wit:  
 For cleaning each closet or privy of a private family, 75 cents per quarter in advance.  
 For cleaning each closet or privy of a hotel or business house or boarding house, \$1.50 per quarter in advance.  
 The fee or charges set out in this section shall be paid by the occupant or owner of said premises to the Sanitary Officer at the beginning of each quarter.  
 Sec. 4. Be it further ordained that the closet or privy of each private family shall be cleaned and disinfected,

 Sec. 6. Be it further ordained that any and all ordinances or parts of ordinances in conflict with the provisions herein, be, and the same are hereby repealed; and for good cause shown to Board thereof, it is ordered that this ordinance take effect and be in force from and after January 1st, 1913.
