GOVERNOR WILSON WINS

RESULT IN NATION

ROOSEVELT CONGRATULATES WILSON.

Colonel Roosevelt sent the following telegram to Governor Wilson at Princeton, N. J.:

"The American people by a great majority have conferred upon you the highest honor in the government. I congratulate you thereon."

Wilson and Marshall are the choice of the American people for President and Vice-President. On yesterday they received a vote unheard of in American politics and the result of the election goes to show that the people will rule. It is a great victory and one that evidences good tidings.

The vote in the country shows that the American people believe in reform and that they believe that such leaders as Woodrow Wilson and Thomas Marshall are their choice. The voters of the country have spoken and the result is that the Democrats through their leaders are to be at the helm for the next four years. States heretofore Republican have turned aside and given their verdict for the schoolmaster that they are to see a new era. A great victory is Democracy's and good times are ahead under the rule of such a leader as Woodrow Wilson. He is for the people, by the people and with the people. He has swept the nation. The common people have rallied to his flag and for the common people he will prove a great executive. Wilson will be the ruler of all the people. All hail to the new ruler, whose every aim will be America, first, last and all the time.
