WASHINGTON FOOT BALL TEAM WINS OVER E. CITY BY A SCORE OF 21 TO 0

Notwithstanding the Small Attendance the Game Was One of the Best Played This Season. Locals Have Won 3 Game and Lost 2.

Yesterday afternoon in a snappy game of football at Fleming Park, the local High defeated the Elizabeth City high school team by the score of 21 to 0. The game, although won by a large score was by no means one-sided, the visiting team showing "pep" throughout the entire contest. The game, however, was never in doubt after the first few minutes of play. The local's goal line was never in danger except once when Harris for Washington blocked a drop-kick from the fifteen yard line.

Elizabeth City wins the toss up and selects the east goal. Elizabeth City receiving the ball on their 20-yard line advances it to the 40-yard line. They fail at fake forward pass, Washington recovering the ball. E. Weston takes the ball 7 yards around left end. S. Fowle goes thirty yards around right end for touchdown. S. Fowle kicks goal. Washington 7, Elizabeth City 0.

On the second kick-off Elizabeth City receives ball and advances it to their 25 yard line. Elizabeth City punts. S. Fowle receives the ball advancing it ten yards. S. Fowle goes around right end for 15 yards. E. Weston goes around left end 40 yards for touchdown. S. Fowle kicks goal. Washington 14, Elizabeth City 0.

On the third kick-off Elizabeth City receives the ball and advances it 20 yards. They try fake forward pass. S. Fowle for Washington recovering the ball. On forward pass C. Meekins crosses goal line but is called back on account of off-side end of first quarter.

In the second quarter neither side was able to score principally on account of fumbles toward passing and open field running were features during the quarter.

In the third quarter Washington again scores. E. Weston taking the ball on a forward pass around right end. S. Fowle again kicks goal. Washington 21, Elizabeth City 0. Elizabeth City receives ball advancing it 5 yards. Double pass Victor Hooper to Vance Hooper, sets a gain of 40 yards, placing the ball on Washington's 20 yard line. After two unsuccessful plays, Elizabeth City tries drop-kick, which is blocked by J. Harris for Washington. Elizabeth City recovers ball and again fail at drop-kick. Washington's ball. End of third quarter.

In the fourth quarter Vance Hooper goes 40 yards off tackle. Elizabeth City held for downs. Washington returns the ball to Elizabeth City a thirty yard line. The game ends after an attempted forward pass Smith to S. Fowle. Scores: Washington 21, Elizabeth City 0.

The stars for Elizabeth City were: Vance Hooper, Victor Hooper. For Washington, S. Fowle, J. Harris, E. Weston, F. Moore and C. Meekins did good work while D. Smith worked like a veteran at quarter.

SID ALLEN IS FOUND GUILTY

Wytheville, Va., Nov. 23.—The jury which has been trying the case of Sidna Allen, head of the Carroll county clan accused of murdering the officials of the county court at Hillsville, Va., several months ago, yesterday afternoon returned a verdict finding the prisoner guilty and fixing his punishment at fifteen years in the penitentiary.

The jury was out over nineteen hours.

Floyd and Claude Allen May Not Appeal.

Richmond, Va., Nov. 23.—Judge N. H. Hairston, chief counsel for the Allen, went to Roanoke on the 9:20 o'clock train last night without having obtained the necessary papers for an appeal to the United States Supreme Court from Clerk H. Stewart Jones of the Virginia Court of Appeals.

He has not made formal application for them or left instruction that he would positively ask for them. His failure to secure either a writ of error or a supersedeas, which would automatically act as a stay of sentence until the case was decided by the United States Supreme Court, is responsible for the growing belief around the capitol that the Allen case may never go higher than the Governor of Virginia.

Has Secured No Writ.
Judge Hairston called on Mr. Jones yesterday, and after remarking that he was leaving the city in the evening, said that he would either return about this time next week or write for those portions of the record which case to the United States Supreme he would need for an appeal of the Court. Before the case can be heard by the court of last resort, one of the judges of the Virginia Court of Appeals must grant a writ of error. No such writ was cured by Judge Hairston before his departure.

ROOSEVELT'S ASSAILANT IS DECLARED INSANE

Milwaukee, Wis., Nov. 23.—The commission of alienists investigating as to the mental condition of John Schrank, who shot Colonel Roosevelt, today reported unanimously that he was insane.

The conclusions reached by the commission are as follows:
"First. John Schrank is suffering from insane delusions, grandiose in character, and of a systematized variety.

"Second. In our opinion he is insane at the present time.

"Third. On account of the connection existing between his delusions and the act with which he stands charged, we are of the opinion he is unable to confer intelligently with counsel on the conduct of his defense.

(Signed)
"RICHARD DEWEY, M. D.,
Chairman.
"W. F. BECKER, M. D.,
"D. W. HARRINGTON, M. D.,
"FRANK STUDLEY, M. D.,
"W. F. WEDGE, M. D.,
Commissioners."

Schrank Calmly Hears Report.
Schrank was conducted from the county jail to the city hall by a strong guard, but without being handcuffed. The prisoner was pale, although he appeared not to be excited. He listened intently to the report of the alienists which was read by the chairman, Dr. Richard Dewey.

The commission's report consists of several thousand words and starts out with setting forth the personal and family history of the defendant. Other portions of the report bear upon the present physical state of the prisoner, neurological data, and winds up with many exhibits consisting of numerous written communications of the defendant.

The report also contains a lengthy statement made to Chief of Police Janssen on the day following Schrank's arrest.

FUTURE EX-PRESIDENTS TO BE PENSIONED \$25,000 A YEAR

Carnegie Corporation of New York is Behind the Scheme. Similar Amounts to be Given Widows.

New York, Nov. 23.—Future ex-presidents of the United States are to be pensioned in the sum of \$25,000 each annually by action of the Carnegie corporation of New York yesterday.

The grant is provided for with the idea of enabling former executives of the nation to devote their unique knowledge gained in public affairs to public good free from pecuniary care. A similar amount is to be paid widows of ex-presidents as long as they remain unmarried.

The pensions are to be promptly offered to the ex-presidents or their widows, so that no application will be required from them. Payment is to be continued so long as the recipients "remain unprovided for by the government."

The announcement followed the second annual meeting of the corporation, held at the residence of Andrew Carnegie here and attended by the corporation's eighth trustees. Five of these eight trustees are the heads of the fire institutions with Mr. Carnegie has founded—the Carnegie Foundation for International Peace, Elihu Root, president; the Carnegie Foundation for the Advancement of Teaching, Henry S. Pritchett, president; the Carnegie Institution of Washington, Robert S. Woodward, president; Carnegie Hero Fund Commission, Pittsburgh, Charles L. Taylor, president; Carnegie Institute, of Pittsburgh, William M. Brew, president.

The successors of these five men become ex-officio trustees of the Carnegie corporation of New York. In addition, there are three life trustees—Andrew Carnegie, Robert A. Franks and James Bertram. The trustees authorized this statement of the corporation as follows:

"A total of \$125,000,000 in securities has thus far been transferred to the corporation which will carry on the various works in which Mr. Carnegie has been engaged, and such others as he may from time to time think it advisable to establish. Mr.

Carnegie believes he has taken the surest means of securing for the future a body of the best possible trustees. The heads of the institutions named must inevitably be men of high moral and intellectual standing. They are empowered by a two-thirds vote to modify or discontinue any branch of the service which in their judgment has become inadvisable or unnecessary, or if better use can be made of the funds, and also to adopt from time to time such work as by them may be deemed most desirable for the wants of the age, so that from age to age the fund may be expended upon the most profitable work, whether that be the promotion of new ideas or the development of those of the day."

In the meeting the trustees took under consideration a number of matters directly in their keeping and concerning the details of which no announcement was made but the principal item of business passed upon was the pension plan for ex-presidents of the United States and their widows. The official announcement covering the matter follows:

"Provision has been made through this corporation for a pension for each future ex-president and his widow until married, of twenty-five thousand dollars (\$25,000) per year, as long as these remain unprovided for by the nation, that they may be able to spend the latter part of their lives devoting their unique knowledge gained of the public affairs to the public good free from pecuniary cares. These pensions will be promptly offered to the ex-presidents or their widows, so that no application will be required from them."

No authorized reference was made to the matter of pensions other than is contained in the foregoing announcement.

Robert A. Franks, one of the three life trustees of the Carnegie corporation of New York, is treasurer of the Carnegie Foundation for the Advancement of Teaching. Mr. Bertram is Mr. Carnegie's secretary.

AUSTRO-HUNGARIAN CORPS CALLED TO THE COLORS

London, Nov. 23.—The first classes of the reserves of six Austro-Hungarian army corps have been called to the colors, according to a news agency dispatch from Vienna.

Corps are stationed in the north and three in the southeast of the Austro-Hungarian empire.

London, Nov. 23.—"Come and take them," the defiant reply of the Turks to the demand made by the allied Balkan nations for the evacuation of the line of fortifications at Tebalja, in front of Constantinople, is not believed in diplomatic circles necessarily to mean the end of the negotiations for an armistice even though fighting has been resumed.

From Sofia comes word today that the victorious invaders are likely to modify their conditions.

The European powers at the same time are exerting themselves to induce the nations composing the Balkan league to bring their terms more into line with the facts of the situation and to arrange a treaty which will give them all they have conquered, but will leave out that which has not been conquered.

Compared with its earlier disastrous experiences the Turkish army evidently now considers itself in a favorable position. Military experts here see in the at least temporary failure of the projected Bulgarian rush into Constantinople signs of a reaction among the invaders after their sustained efforts of the past month.

In view of the fact that the Ottoman capital even if captured must ultimately be evacuated in accordance with the decree of the great powers, it appears that the allies have nothing to gain by insisting on the surrender of the lines which form virtually the gates of the city. Hence the hope expressed by diplomats that this demand will be withdrawn, in which case it is thought that Turkey, recognizing that she has no prospect of taking the offense for the recovery of her lost territory, would quickly conclude that she has nothing to gain by continuing the conflict.

She would perhaps agree to enter

into negotiations on the basis of a surrender of all but a reasonable strip of territory at the back of Constantinople, the Dardanelles and the Bosphorus.

Fighting continues today along the entire line of fortifications at Tebalja according to dispatches from Constantinople. The Bulgarians are continuing their efforts to break through the Turkish lines, but have hitherto been prevented from doing so by the fire of the Turkish warships.

The announcement from Sofia this afternoon of the appointment of Bulgarian plenipotentiaries to discuss the armistice with the Turkish envoys tends to confirm the contention of diplomats that the Ottoman rejection of the first terms proposed by Bulgaria has not barred the door to further negotiations.
