DISCUSSES WITH HIS CABINET THE OFFER OF THE NENT PROFESSORSHIP-FRIENDS IN-CLINED TO THE BELIEF THAT HE WILL ACCEPT.

No. 35

Washington, Dec. 12 -- President

Taft is considering an offer of the Kent professorship at the Yale law school. 'The place, which has been vacant for several years and was last filled by Professor Phelps, at one New York, Dec. 1p.—The will of Dr. John D. McGill, which was prov-ed Tuesday before Surrogate John P. time American minister to Great Britain, has been formally tendered to Mr. Taft, and be has talked over the offer with his cabinet, but arson Carr, is to receive the income from three-ofths of the estate as long

rived at no decision. Should he accept it his relation to Tale University would be much the fusband, Lieut. William B. Carr, a sound United States army surgeon. Mr. Taft is considering this offer

one one side and his original plans to practice law on the other.

Some of his friends here incline to Mrs. Elemon Achoson Carr, with her bushand musi is those of a complete stranger," says the will. "Should peet he will make up his mind the belief that he will accept the Yale place, though they do not exfore next month. The President has had the offer to

will shall pay her only \$1,200 an-nually, with no reversion to her hus-band for any children she may of the Yale Corporation and his desire to return to New Haven has b

weighed against one to go back to Cincinnati "hang out his shingle." The will further provides that if Mrs. Carr should have any children by her present husband, from whom take his oldest son Robert into his abe has been separated for some office and establish a law practice in time, the children are to receive \$100 his home city.
