AT PINETOWN

London, March 15 .- From . th ewspapers Str Thomas Lipton learned yesterday that his challenge for the America's cup had been declined by the New York Yacht Club. No having received any prior notification of the rejection of his challenge Sir Thomas said he had not had time to sultation with Charles Nicholson, he who designed the cup-taking latria, and who was to have designed the Lipton entry if the challenge had been accepted.

To correspondents Sir Thomas said that he must perforce await the reception of the official notification Christian.

Bible achool will be held at the First Christian church tomorrow morning at 10 o'clock, and the usual gratifying attendance is expected. The classes are reported to be taking a fively interest in organized classes, and as the result of efficient teachers, good music, and various appeals features which annual music and various special features which annual music and the various appeals features which annual music and the collection of the club before annuous ing definite decision as to what his next step would be. "But it must confess," he admitted, "to a great disappoint ment. The 75-foot waterline length, which I sipulated, is more than that of any cutter of that type on this side of the Atlantic and as great as the organized classes. A race between two 75-footers would have been a good ene, but if I should pit my 75-footer against the Reliance and her ninety.
