MARRIAGE OF MISS WILLIS BRILLIANT SOCIAL EVENT

Last evening in St. Peter's Episcopal church was solemnized one of the most beautiful marriages which ever took place in that historic church, when Miss Mabel Willis of Washington became the bride of Mr. Edward Harris of High Point.

The bride entered to the strains of Mendelssohn's wedding march. Schubert's serenade and Lohengrin's march were also played during and after the ceremony.

The bride was exquisitely gowned in white duchesse satin and lace, and wore a veil caught with orange blossoms. She carried a bouquet of bride's roses and lilies of the valley.

The groomsmen were: Mr. E. K. Willis, Jr., Mr. Albert Willis, Mr. Albin Mills, Dr. Frank Perkins, Mr. Lee Davenport, and Mr. Edmund Harding.

The bridesmaids were: Miss Louise Mann, Miss Mary McCuller, Miss Julia Cole, Miss Mary Cowell, Miss Mas Blount, and Miss Kathleen Willis.

The flower girls were Elizabeth Koper and Sallie Cowell. The ring was worn by Master Chas. Farris.

A reception at the home of the bride's parents, Mr. and Mrs. E. K. Willis, immediately followed the ceremony, and the lovely Willis home was thronged with those wishing to express their felicitations to the bride and groom.

The presents were numerous and costly, and much admired by the guests.

Miss Bessie Conoly and Mr. William B. Harding presided at the punch bowl, while Miss Katherine Priggen had charge of the guest-book.

Those serving at the reception were: Miss Maude Swindell, Miss Elizabeth Carrow, Miss Edna Willis, Miss Eleanor Berry, Miss Madeline Ellsworth, and Miss Rena Harding.

After the reception, Mr. and Mrs. Farris left upon a bridal tour to Niagara Falls, New York City, and Northern points of interest.

There were many out-of-town guests in Washington to attend this wedding, among whom were: Mr. and Mrs. J. J. Farris and son Charles of High Point, Miss Lillian Mann of High Point, Dr. Frank Perkins of High Point, Mr. Albin Mills of High Point, Miss Julia Cole of New Bern, Miss Mary McCullen of Hockingham, Mr. and Mrs. Harry Kidd of Wilmington, Miss Hennie Whitehead of Greenville, and Mrs. Kohler of Oklahoma.

Mr. F. W. Sparrow of Norfolk, who was a resident of Washington up to a short time ago, is here today on business.

Mr. W. R. Harr of Asheville was seen yesterday upon the streets of Washington.

Miss Fannie Moore of Greenville was in town visiting her sister yesterday.

HALCYON CLUB DANCE THURSDAY EVENING

The Halcyon Club has announced a dance for Thursday night. This will be the second dance tendered by this organization since Easter.

The spring social season is now in full swing, and coming at a time of so many weddings and other functions as the present, the coming dance is a very promise of being a most delightful affair.

MISS BOWERS WEDS MR. J. W. ISAAC

Miss Margaret Bowers of Scotland Neck was married at high noon today to Mr. J. W. Isaac of this city. The ceremony was performed in the Scottish Neck Episcopal church by Rev. L. W. Blackwelder of Plymouth, who will be rector of that church after the first of June.

This wedding is of especial interest in Washington, owing to the fact that the bride is a sister of Messrs. A. L. and B. F. Bowers of this place.

Mr. Isaac, the bride-groom, was formerly of Philadelphia, but is now a valued salesman in the Bowers-Lewis Co. store here. He left yesterday afternoon for Scotland Neck.

Mr. Isaac and his bride are now off upon an extended bridal tour embracing Northern points of interest.

Mother should be photographed, but—Mother thinks only of her children when she thinks of photographs.

Perhaps she'll need persuading—perhaps will call it vanity, but her pictures will prove she is still a beauty—will be in greater demand than those quaint pictures of younger days.

Take Counsel About Your Shopping

When you are making an important purchase you ask the opinion of others. You are applying a principle of efficiency—that of counsel.

You are trying to add to your buying ability by getting advice upon quality, the place to buy, and the worth of the particular article.

Comparison is one of the best ways of determining values. Through the advertisements in The Daily News you can compare values and prices. More important, however, is the readiness of The Daily News advertisers to tell you of the qualities of the things they offer you. They are vitally interested in seeing you satisfied with what you buy of them.

MASONIC HOME WILL SOON BE OPEN

This has been a great week for the Masonic and Eastern Star Home. John J. Phoenix, secretary and treasurer, is pleased to announce that the Home is to be opened at an early date.

These prompt and liberal donations will enable the Home to be opened at an early date. In an interview today Mr. Phoenix stated that as soon as sufficient donations were in hand to furnish one floor of 12 rooms, the contracts for furniture would be made. He feels under many obligations to the Masons throughout North Carolina for their loyal support.

Mr. Cone's gifts have always come unsolicited. He evidently believes in this Masonic institution, and if his example is followed by other wealthy Masons throughout North Carolina this Home will shortly be able to open its doors and do its part in the work intended for fraternal organizations.

There is no question about the practical need of this Home. Fraternalism will never survive the onward rush of modern activities unless it takes advantage of the passing opportunities to do practical good. The old and indigent Masons of North Carolina are here and many of them destitute and helpless by reason of misfortune and possibility of neglect. They look to us who have been more fortunate for that help which we are under obligations to give. It is a well known fact that many old veterans of the war are Masons, and many of them are today objects of charity. We owe them both a patriotic and fraternal debt. It should be our pleasure to have these old patriots together, where we can give them comfort and pleasure.

This site consists of 25 acres on the suburbs of Greensboro, near Pomona.

The importance of this institution to the city of Greensboro may be realized when it is known that the running expenses of the Home, when opened, will be about \$500 a month.

Mr. M. W. White, the superintendent, will welcome visitors at all times.

The Home is a State-wide enterprise. Every Masonic body in North Carolina has the privilege of sending its indigent members here. Hence the 22,000 Masons form the mountains to the sea are asked to cooperate with the management in the effort to fully equip and open this Home.

The committee figured the dining room at \$300 to furnish in plain furniture, but Mr. Cone, hearing of the plan, has expressed his desire to furnish the dining hall in solid oak, estimated to cost \$500.00.

Any one wishing to take part in this effort to enable the Home to open at an early date may address the secretary and treasurer, John J. Phoenix. All donations will be acknowledged through the North Carolina papers and Orphans' Fund, the Masonic organ, published at Oxford.

Dr. F. M. Winchester, Grand Master, A. F. & A. M., Charlotte, N. C., and Mrs. Sallie M. Boettcher, Worthy Grand Matron Order Eastern Star, Elizabeth City, N. C., may also be addressed and any donation sent them will be forwarded to the Home and duly acknowledged.

TWO WOMEN MURDERED MYSTERIOUSLY IN ST. LOUIS

St. Louis, April 23.—The bodies of Mrs. Ernestine Kominichau and her daughter, Selma, were found shortly before noon buried in the basement of a building at 2412 South Broadway.

Mary Kominichau, another daughter, was arrested at the city hospital shortly after noon for an investigation with the mystery.

Both bodies were immured in concrete. The sister, Marie, was taken to the hospital two weeks ago after she had broken her leg in a fall downstairs.

COMING SEASON OF BASEBALL REVIEWED

New York, April 23.—Now that the big campaign is under way at last the main argument which seems to crown the National League race is whether New York City has the edge. There are many other single incidents connected with the National League race. McGraw is shooting Teareau, Marquard, Mathewson, Demaree and Ames against the enemy while Clarke is using Hendrix, Adams, O'Toole, Cammits and Robinson. It's a tough angle. Bill Klem, the umpire, last season picked Teareau, Marquard and Mathewson above Hendrix, Cammits and Adams or O'Toole but many believe that the Pirates have the edge. As the National League race promises to settle quickly between these clubs, the flag is fairly sure to go to the one which can show the best pitching. Clarke has a veritable wonder in Claude Hendrix but McGraw believes that in Jeff Teareau he has another Walsh—a giant capable of pitching 50 or 60 games and pitching this number at top speed. A slabman of this robust calibre means a lot and if Teareau can turn out this work with Mathewson and Marquard to back him up, the Pirates corps will have to travel fast and far to get the edge.

Until Gunboat Smith and Lute McCarty hook up there will be no way of obtaining any line upon the best American heavyweight in the pale face class.

These two now stand out and the fistic public is waiting eagerly for their clash. Smith's admirers believe the hard hitting Californian will end the cow boy within ten rounds as McCarty isn't clever enough to keep out of his way and no man seems strong enough to work up his punches and keep his feet. Well, the clever Briton, wasn't fast enough to keep away from Smith and McKay, the Canadian giant, wasn't big enough to absorb his wallops. In any event McCarty has his work cut out when the two clash. And McCarty isn't the only near champ with a worry attached. Willie Ritchie is even worse off as he has two coming at him. Willie at present is undecided whether to meet Joe Rivers, a slashing slugger, or Freddie Welsh who is a marvel for speed and shiftness. In other words Willie isn't decided as to whether he would rather run the risk of getting his block knocked off or partake of an equal risk of being outpointed. Quite an engaging problem, at that.

Since the Athletics have shown four first-class young pitchers in addition to Plank, Bender and Coombs they are being picked far and wide to beat out the Red Sox. Mack now has three veterans and four fine youngsters to work with and back of them the hardest hitting ball club in either league. If this combination isn't enough to win there's no forecasting any result.

Judging by the way Walter Johnson has finished up his spring work, he still is able to push the ball from the pitcher's box to the home plate without calling for a caddy.

Frank Chance is wearing a head gear and umpires looking after Chicago Cub battles are wearing full suits of armor. And after all, it wasn't the head that Chance first had trouble with. The "bean hat" he wore when the Yankees and Brooklyn Dodgers were "exhibitioning" before the season opened didn't save Chance's knee when the Peerless Leader twisted it in a swing around first base. They say it was a very slight strain but it may mean a lot to the poor, hoodooed Highlander for they had expected to start a McGraw-like season with a run and rush from the opener day. F. G. Ewing on \$25,000 yearly for a sound and whole Chance, the ex-Cub will do well to carefully nurse a knee that is, comparatively speaking, worth at least \$10,000 of the 25 thou.

Mr. Levy Foster of Wades Point is in town today.

NARROW ESCAPE FOR WILSON IN AUTO

Washington, April 23.—President Wilson and his youngest daughter, Eleanor, were being congratulated today on a narrow escape from accident while automobiling last night.

Just as the President's automobile turned a corner at Peace Monument, near the Capitol, a street car was brought to a sudden stop within a few inches of the Presidential motor.

The President was somewhat disturbed by the incident but did not stop. The motorcycle men trailing the President, took the name of the motorman, but the subject was dropped today by the White House.

BASEBALL TRUST ATTACKED OF CONGRESS

Washington, April 23.—Characterizing organized baseball as "the most audacious and autocratic trust in the country," Representative Gallagher, of Illinois, yesterday introduced a resolution for an exhaustive inquiry into the operations of the National Commission by a special committee of Congress, and would also direct the Attorney General to investigate the baseball contract system with a view to instituting prosecutions for violation of the Sherman anti-trust law.

The resolution would direct the Speaker to appoint a special committee of seven to investigate "the operation and practices of the baseball trust" to ascertain whether:

Unjust discriminations have been practiced in favor of or against players; whether players are now or have been prejudiced, coerced, or restrained from the exercise of their just rights to enter into contracts of a fair and equitable nature; whether such a combination has been effected among baseball magnates throughout the country as would preclude competition and operate in restraint of trade.
