less satisfactory terms can be reached ed, it is probable that a special session of the legislature will be called to force the roads to make the reductions desired. '

At the last conference the Sea loard Air Line submitted a proposition for reductions on freight from Ohio and other Western points into North Carolina through Virginia, but left shipments from the Eastern and

Northern territory undisturbed. Governor Gratg declared this attitude was out of accord with both "the spirit and letter" of the agreement made prior to that conference. When adjournment was taken the State made a proposition for reduction which the roads declined to accept without a further conference, consequently today's meeting was

ranged. MEETING OF AID SOCIETY
