## BARACA CLASS ENTERTAIN PHILATHEAS AT ARMOY

MORE THAN ONE HUNDRED MEMBERS AND GUESTS ENJOY BANQUET WHICH WAS HELD AT ARMOY LAST NIGHT.

## REV. E. A. LAWYER SPEAKS

Makes Interesting Address on the Church Organizations of the Present Day and Adult Bible Classes in Particular.

The Baraca Society of the Baptist Church entertained the Philathea Class at a banquet which was held in the armory last night. About one hundred members and guests were present.

The gathering was a purely social affair. It was also held in order to maintain the enthusiasm which has always been manifested by the members of the classes and to introduce strangers to the members and make them acquainted with the work that the Baracas and Philatheas are doing.

Refreshments, consisting of salad, olives, toasts, cakes, ice cream and cherry punch were served and enjoyed. Professor Smith's orchestra rendered several excellent selections while the banquet was in progress and helped to make the occasion a pleasant one for all. The quartet also sang and were loudly applauded.

After the refreshments had been enjoyed, W. L. Vaughan, the teacher of the Baraca Class, arose, thanked all for their presence at the banquet and then introduced Rev. E. A. Lawyer, president of the Washington Collegiate Institute as the speaker of the evening.

Mr. Lawyer spoke on the "Adult Bible Classes." He made a very interesting address and one that was listened to with the greatest of attention by his audience. He urged them to continue to show their enthusiasm in their class work, stating that "organized enthusiasm" was the secret of success in all classes.

## MUSICAL NUMBER TO BE A FEATURE OF "GIRL IN PINK"

AT LEAST TWELVE GOOD NUMBERS ON PROGRAM OF MUSICAL COMEDY WHICH WILL BE PLAYED HERE FRIDAY NIGHT.

Dress Rehearsal to be Held Tomorrow Night. Everything in Readiness for the Staging of a Most Successful Play.

"The Girl in Pink" promises to be the principal event of the season in theatricals. Although Slumberland was the "biggest and best" in the musical extravaganza line, Mr. Foote claims "The Girl in Pink" will be the best in the musical comedy line. There is a real plot in this new play and considerable more speaking lines than in Slumberland, yet there will be at least twelve good musical numbers and all who have heard the music sung, claim that it is much superior to music used in Slumberland. Mr. Foote will sing and dance a number of times during the performance and as he did not take a part in his former show here, his friends are looking forward to seeing him in one of his own plays. As this is the last of the entertainments that will be given here this season, everyone should take advantage of the opportunity and see the play in person, the auditorium should be filled to capacity on Friday night.

With the last rehearsal tomorrow night which will be a dress affair, everything will be in readiness for the presentation.

The music in "The Girl in Pink" is of a classy nature and will please the audiences. Mrs. R. A. G. Barnes, who so thoroughly handled the "Slumberland" musical end, will also be at the piano and direct the music in this play. We are sure with Mrs. Barnes as pianist, there could be no one more competent to handle the ivories and this in itself will be a drawing card.

We are printing a list of the musical numbers as they will be heard in "The Girl in Pink" on Friday night.

"Here We Go." Opening chorus by entire company.  
"There Must Be Someone That I Love," by Lunette.  
"Der Faterland For Mine," by Sackelfrit.  
"I'm Dolly," by Lunette, Dolly and Show Girls.  
"Ain't You Gonna Out Tonight," by Mary Rhodes.  
"Around in a Whirl," by Seminary Girls, Florice and Dolly.  
"Miss," by Dolly.  
"Hello, Hello," by Seminary Girls, Willie and Dolly.  
"Kiss, Kiss, Kiss," by Dolly and Sackelfrit.  
Dutch Song and Dance by Sackelfrit.

## "NEVER TOUCHED A HIGH BALL" SAYS TEDDY

ROOSEVELT TAKES WITNESS STAND AT FIRST DAY'S TRIAL OF HIS SUIT FOR LIBEL AGAINST EDITOR.

## DOESN'T SMOKE EITHER

Rarely Drinks Juleps, Indulges in Champagne Once in a While and Hasn't Been Inside of a Saloon for Twenty Years.

Marquette, Mich., May 27.—Col. Theodore Roosevelt took the witness stand today in his libel suit against Editor Geo. A. Newett, who charged him with drunkenness in an editorial. The Colonel entered a denial.

He told the jury that he does not smoke or touch beer and that he has never had a high ball in his life. He limits himself to a glass or two of champagne about once a month. He stated that he rarely drank juleps, averaging about half a dozen a year. It has been many years, he claimed, since he touched brandy or whiskey and then it was prescribed by a physician. He said that he had not been inside of a saloon in twenty years.

After hearing the Colonel's testimony the court adjourned for the day.

F. T. Foster of Wade Point is in the city today.

## MEETING OF CIVIC CLUB

A regular meeting of the Women's Civic Club was held at the Public Library rooms yesterday evening. About forty members were present.

The principal business before the meeting was the discussion of the play which is to be given at the High School Auditorium Friday night. Tickets for the play were distributed among the members and each member was requested to dispose of as many of them as she was able.

It was also decided, after a brief discussion, to invite the Council of the Federated Clubs to meet in Washington next February.

"Here Comes The Bogie Man," by Sackelfrits and Goblins Girls.  
Grand Finale by Lunette and company.

Tickets for "The Girl in Pink" are on sale at Worthy and Etheridge's store, the prices being 50c., 75c., and \$1.00. The play will only be given one night as it is expected the whole company will be taken to New Bern on Monday night.

## VETERANS' REUNION IS FORMALLY OPENED

Speeches and Entertainments Mark Opening Day of Great Reunion. Eloquent Addresses, Spectacular Parades and Scores of Social Entertainments in Honor of Veterans, Sponsors and Maids of Honor, Characterized the Opening Day of the 23rd Annual United Confederate Veterans' Reunion in this City.

Chattanooga, Tenn., May 25.—Eloquent addresses, spectacular parades and scores of social entertainments in honor of veterans, sponsors and maids of honor, characterized the opening day of the 23rd annual United Confederate Veterans' reunion in this city. The only discordant note was sounded at the first business session of the veterans when hisses, finally drowned out by cheers, slightly delayed Governor Ben W. Hooper, of Tennessee, in delivering his address of welcome. The Tennessee executive, who is said to have been the first Republican Governor to welcome a reunion of Confederate veterans, disregarded the disturbances, and was given an ovation at the conclusion of his remarks.

## BECKER WANTS ANOTHER TRIAL

PLANS AND ARRANGEMENTS COMPLETED FOR ANOTHER TRIAL OF NEW YORK POLICE LIEUTENANT.

## NEW EVIDENCE FOUND

Claimed That Conviction Was Due to Popular Clamor and Newspaper Headlines. Case to be Referred to Justice Goff.

New York, May 28.—Joseph A. Shay, counsel for Lieut. Charles Becker, convicted police official, has completed plans and arguments looking toward a new trial. These he presents today before Supreme Court Justice Gerard, who it is believed will refer the case to Justice Goff who presided at the trial of Becker for inspiring the murder of Herman Rosenthal, the gambler.

An affidavit by Becker makes up a large part of the petition of 150 pages. It states that public clamor, newspaper headlines and the Curran Aldermanic committee's investigation played a part in the conviction. Mayor Gaynor comes in for special mention because of his statement before the Curran committee to the effect that Becker was the "head and front" of police grafting.

The Mayor of the city of New York, Becker says, referring to the Mayor's testimony, "made a vicious attack on me, and asserted that I was the head and front of graft in the Police Department." He adds that the press made "glaring use" of the Mayor's remarks.

The petition bases the motion for a new trial on four grounds: That new evidence has been discovered; that the jurymen were separated without leave of the court; that the verdict was contrary to law, and that the ends of justice would be furthered by a new trial. All except the second are customary and technical. The second point refers to Samuel Mayor Gaynor's recross in for special I. Haas, one of jurors, who was allowed to go home and visit a dentist.

## BONDS SOLD FOR DRAINAGE OF MATTAMUSKEET LAKE

Reported \$500,000 Worth Bonds Have Been Disposed of.

It is reported on good authority that the bonds, which have been issued for the drainage of Mattamuskeet Lake in Hyde County have been sold.

The drainage of this body of water has been discussed for the past two years. At first, it was decided that the State pay for three-fourths of the costs of the drainage and the property owners of the lands in the vicinity of the lake, the other fourth. The State, however, sold out their interest in the matter to the Southern Land Reclamation Company. Bonds to the amount of \$500,000 were issued, the land company being responsible for three-fourths and the property owners for one-fourth. These bonds, it is stated have all been disposed of.

The drainage of Mattamuskeet Lake, which is six miles wide and about thirteen miles long, will mean the reclamation of about 50,000 acres of valuable farm land. It will also mean that the Railroad will be built from Fairfield to Belhaven and will possibly be extended to Washington. The road bed from Belhaven to Fairfield has been completed and everything is in readiness for the building of the tracks, or will be when the lake is drained.
