NO IMPROVEMENTS TO STATION.

We do not wish to rush the officials of the Norfolk Southern, but we would like to inquire when they intend to make the proposed improvements to their railroad station here. It has been over a week ago since they promised to have this work finished, but as yet we have seen nothing of their making a beginning. In the meantime, the old wretched condition of affairs still continues.

TRAFFIC LAWS.

Every day there is a mix-up on this street, due to someone disregarding the traffic laws and driving on the wrong side of the street.

Have been requested to call the attention of drivers to KINDLY KEEP TO THE RIGHT. Also, it is requested that drivers do not pass when getting out of your way and leaving it standing on the street for any length of time.

HOW ONE TOWN SOLVED ITS AMUSEMENT PROBLEM.

Pittsfield, Mass. Has Good Plays of Educational Value.

The people here the victims of Pittsfield, Mass., decided that it would be better to have a theater than a saloon.

The first step toward having it was taken when the first theater was opened in Pittsfield, Mass., in 1904.

The first theater was a small one, but it was a success. It was the first of its kind in the town.

Amusing Trick of Messengers.

The stamp trick is a very common one with messengers because of the amount of amusement derived from it. It consists in sticking a new stamp on a step or some prominent place, and watching the various attempts of passers-by to pick it up, which, of course, are unsuccessful.—London Mail.
