It is one thing to make soda crackers that are occasionally good.
It is quite another thing to make them so that they are always better than all other soda crackers, always of unvarying goodness.
The name "Uneeda"—stamped on every biscuit—means that if a million packages of Uneeda Biscuit were placed before you, you could choose any one of them, confident that every soda cracker in that package would be as good as the best Uneeda Biscuit ever baked. Five cents.

Acknowledge It.
Washington Has to Bow to the Inevitable—Scores of Endorsements Prove It.

After reading the public statement of this fellow-sufferer given below, you must come to this conclusion: A remedy which cured years ago, which has kept the kidneys in good health since, can be relied upon to perform the same work in other cases. Read this:
R. A. Henderson, 156 George St., New Bern, N. C., says: "I suffered from a dull pain across my loins, accompanied by an extreme lameness in my back. I also had inflammation of the bladder and the passages of the kidney secretions pained me. The use of Doan's Kidney Pills removed the lameness and pain and improved my condition in every way." (Statement given January 25, 1908.)
CONFIRMED PROOF.
Hr. Henderson was interviewed on November 28, 1910, and he said: "I willingly verify my former endorsement of Doan's Kidney Pills, for I have been free from backache and kidney complaint since I took this remedy. You are welcome to continue the publication of my statement."
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.
