MORE TIME ALLOWED CURRENCY BILL DEBATE.

House Committee Members Decide to Discuss Measure Two Weeks and Report to Caucus.

Washington, July 25.—Democrats of the House banking and currency committee today agreed to allow themselves two weeks more of wrangling over the administration currency bill...

After three hours of argument at which various plans for disposing of the measure were discussed, the Democratic committee members voted to authorize the chairman to ask for a caucus of the party to be called on August 11...

The supporters of the administration bill, having failed, after weeks of discussion and argument to win over three or four opponents of the measure among the Democrats of the committee, have decided to proceed without them...

Today's entire session of the conference was spent in a discussion of whether the proceedings of the meeting should be made public.

President Wilson and Chairman Glass of the House committee, and Chairman Owen of the Senate committee, believe that they will be able to get the measure through both House and Senate with the essentials practically unchanged...

TO SHOW DAD THAT HE NEEDN'T WALK FLOOR.

Philadelphia, July 25.—Physicians in charge of the Children's Homeopathic Hospital have decided to have weekly clinics for fathers.

The doctors began to plan and investigate and they found that many of the errors of childhood might be corrected if the "old man" only knew what to do in emergencies.

With this end in view a course in lectures has been mapped out and every Thursday night married men are eligible for admission to the course.

LONDON AVOIDS BARBER'S STRIKE.

London, July 25.—Because there has been so much talk about a strike of the barbers in this city, the London county council has decided to issue an order filling the time for closing of barber shops throughout London at the same time.
