Locals Come Back Strong And Defeat Greenville

By the Score of 6 to 3.

BARNES PITCHED GREAT BALL
FOR WASHINGTON TEAM

STRUCK OUT 16 MEN

Locals Hit Hard Behind Him, Making 14 Hits in All. Game Was Played in Greenville.

RED DAVENPORT CAUGHT

No longer are the fans a-shoutin' "Rotten! Get the sack!" For Washington has shown them they're the boys who can come back.

With only a hand full of Washington spectators at the game and with a whole army of hostile Greenville rooters to howl at them, the Washington team showed a grand reversal of form yesterday afternoon and trimmed Greenville at the latter's grounds by the score of 6 to 3.

Barnes deserves a big share of the credit for the result of the contest. He came back strong, and those of the Greenville players who hit him hard in Monday's game, were made to look foolish yesterday. He had everything and his fast ball almost took Red off his feet. Only four hits were made by the Greenville players, three runs being largely due to a bunch of wild plays by the Washington infield. Barnes struck out sixteen of the opposing batters, which is, as far as can be learned, this season's record for amateur pitchers in the state.

Taylor and Cowell did not play yesterday. Davenport caught and played a snappy game behind the bat. He caught several foul tips on the last strike, something that very few catchers are able to do. Barnes' delivery, Joiner of Farmville, played third base for Washington and will probably figure in future line-ups for the locals. Old "Three-fingered" Brown grabbed three hits out of five times at the bat, one of them a two-bagger. Who said he couldn't hit? Carrow knocked out two hits out of three times up and nailed every fly that came to the left field. Smith played his usual outfield except one, which went to fast game at short.

Gardner played left field. Ragdale and Joyner were the batteries for Greenville.

Number of hits made by the local players is as follows:

Names	AB.	H.
Gardner	3	0
Barnes	5	2
Carrow	3	2
Smith	6	2
Joyner	6	2
Davenport	4	0
F. Brown	5	3
J. Brown	6	2
Moore	4	1

COURT HOUSE INADEQUATE

To the Honorable Judge of the Superior Court, Greeting:

We, the Grand Jury, for the August term, 1913, beg to submit the following report:

We have finished the duties assigned to us by the court so far as it has been possible, or have come to our knowledge. All bills have been passed upon and returned.

We have examined the convict camps of our county, and find them in good condition, well kept and the prisoners well cared for and satisfied. There might, however, be some improvement made in the bedding furnished the prisoners.

We have examined the jail and the County Court House, and find these in as good condition as is practical to be kept owing to the cramped conditions that they are in. Our Court House is totally inadequate for the

SATURDAY'S GAME TO BE CALLED AT 3.30

Pinetown and Aurora are fighting it out at Fleming Park this afternoon. These old rivals are going to put up a game of ball which is bound to be a hummer for thrills and excitement. The game is called for 4.30.

Washington will play Whittakers tomorrow and Saturday afternoon. Both games will be played at Fleming Park. Tomorrow's game will be called at the usual time, 4.30, but Saturday's contest will be started at 3.30 in order to allow the country people to witness the fray. Brown will probably pitch tomorrow's game with Barnes in the box for Saturday.

MAY CHECK JAP'S PLANS

Sacramento, Cal., Aug. 7.—State legislators have their eyes on plans which the Japanese are said to be forming in an effort to nullify the new alien land law which becomes effective next week, and will probably take steps to circumvent the Japanese at the next session of legislature.

They are combining their farm land units and incorporating stock companies in the belief that the stock in the corporations upon their death may be transferred to heirs.

The maximum life granted to a domestic corporation under the California law also provides that a corporation is privileged to re-incorporate on the expiration of its charter.

PEEBLES MISTAKEN IN THEORY JAILED FOR FALSE ARREST NOW OUT ON \$200 BAIL

Charged E. A. Daniels with having wrongfully secured possession of important letter

Letter turns up during court and Peebles is put in prison under \$10,000 bond. Released yesterday and is now under bail for perjury.

The case of Wesley Peebles vs. E. A. Daniels of this city was brought up before Judge Windley in the Recorder's court Tuesday evening. Mr. Peebles charged the defendant with having in his possession a letter written by him, (Peebles) to Major Rodman. It was also learned that he suspected Attorney H. S. Ward of complicity in the matter, although a warrant for the latter's appearance in court had not been served.

While the case was going on in court, Major Rodman appeared in the court room and produced the letter in question. It had been in his possession he stated, ever since it was received by him from Peebles in 1903.

Upon learning of his mistake, Captain Peebles apologized to Attorney Daniel and asked his pardon for the error he had committed.

Mr. Daniel immediately had him taken into custody under arrest and bail proceeding for false arrest.

Captain Peebles was put in jail and forced to spend the night there. His bond was fixed at \$10,000.

Yesterday Mr. Daniel, by consent, wrote a judgment and had the clerk sign it, releasing Captain Peebles from prison. The solicitor went up to the trial before the recorder and heard the evidence and sent a bill of indictment for perjury before the grand jury. Latter formed a true bill and the judge fixed the bond for Peebles' appearance at the next term of the Superior court. This bond was secured and Captain Peebles is now out on bail.

Mr. Ward has not commenced any suit in the matter because the warrant against him was withdrawn before it was served.

It seems to be the general consensus of opinion that the amount of bail required of Peebles was excessive, having been fixed at an amount too large for him to secure during the night.

INTERVENTION IN MEXICO UNWISE

Would Only Make Things Worse, Colonel Hay Tells Senate Foreign Relations Committee.

SEN. CLARK CRITICISES WILSON

Washington, Aug. 6.—not Eduardo Hay, chief of staff of the constitutional forces in Sonora, gave to the Senate Foreign Relations Committee today a detailed account of his views on conditions in Mexico. The constitutionalist movement, he declared controlled at least two-thirds of Mexico.

Though he made no recommendation Colonel Hay insisted that intervention by the United States would make things worse and that any mediation which recognized the government of Provisional President Huerta was impossible.

His idea of the solution of the situation was to lift the embargo on arms so that the Constitutionalists could carry on a more active campaign.

Then, he declared, the troubles in Mexico soon would be settled.

President Wilson's action in sending former Governor John Lind to Mexico as special emissary in the present situation was attacked in the Senate today by Senator Clark of Wyoming, who declared "something else must be done by the administration to guarantee adequate protection to Americans."

Senator Clark presented a resolution for an immediate investigation by the Senate Foreign Relations Committee of the conditions of American citizens and property in Mexico.

"This resolution is not introduced in a spirit of hostility to the administration or of criticism of the Foreign Relations Committee," declared

SAUNDERS CSSE GOES TO THE JURY

WAS GIVEN OVER TO THE JURY EARLY THIS AFTERNOON

Case is One of the "Most Interesting Brought up in Beaufort County Court.

The case of the State vs. W. O. Saunders of Elizabeth City, charging him with libel against E. F. Aydtlett was given over to the jury early this afternoon.

The case has been before the Superior Court for the last three days. This morning, the testimony was summed up. It is believed that the jury will arrive at a decision shortly.

The state is represented in this case by Messrs. Ward & Grimes, Small MacLean & Bryan, J. C. B. Ehringhaus and Rodman & Bonner. The defendant is represented by Daniel & Warren of this city, Manning & Kitchin of Raleigh and I. M. Meekins of Elizabeth City.

The case is one of the most interesting that has been brought up in the Beaufort County Court in some time and is drawing large crowds to the court house.

the Senator, "but conditions are growing steadily worse in Mexico. Now we learn that Governor Lind has been sent there by President Wilson.

"That does not satisfy. Mr. Lind does not go as the official representative of the United States. He does not go as an Ambassador clothed with authority to represent the United States. He cannot be appealed to by American citizens for protection. Some other steps are necessary to give Americans and American property the protection they need and are demanding.
