The quarterly convention of Odd Fellows of the Second District was held here yesterday. Delegates from Bethel, Robertsonville, Greenville, Farmville, Ayden, Swan Quarter, Belhaven, Sladeville and other places attended, there being about eighty visiting members present.

The afternoon session commenced at 2:30. The program was as follows:

Opening ceremonies.

Invocation by Chaplain.

Address of Welcome by W. O. Ellis.

Response by Dr. D. L. James of Covenaal Lodge.

"Odd Fellowship and Its Needs," by D. J. Berry, of Ayden Lodge.

"Increasing Membership," general discussion.

The officers who were elected at the last meeting were installed. They were as follows:

George Newman, Sladeville, president.

S. T. Carson, Bethel vice president.

B. J. Skinner, Farmville, secretary.

J. F. Thomas, Washington, treasurer.

The evening session was principally taken up with degree work, conferred on thirteen members by the Washington degree team. Farmville was selected as the place for the Thanksgiving meeting.

The Second District is one of the strongest in North Carolina and embraces some of the most active lodges in the state. From it have come men who are today leaders in the Order, and those who have taken part in the higher branches of Odd Fellowship have always reflected great credit upon the lodges from which they came.

NOTICE

Whereas the Charitable Brotherhood of Blounts Creek has received a serious blow in the death of our esteemed brother, Elijah Lewis,

Whereas we are fully conscious of our loss and the loss sustained by the entire community in the death of our brother, now be it

Resolved, by this lodge in meeting assembled that we deeply deplore the loss of our brother, than whom there was none more zealous in obeying the tenets of this noble order, not only with his substance but with his individual effort also. To his grief-stricken father and heart-broken mother this consolation is offered; though sometimes the cup of anguish is full to overflowing, and the burden of our troubles seem heavier than our frail bodies can bear making life too bitter to endure, still Divine Precept teaches us to bow in humble submission to the will of the Master, "who doeth all things well," and also that earth's sorrows shall be forgotten in that heavenly existence which shall endure forever.

It is further resolved that a copy of these resolutions be sent to the Washington Daily News for publication, a copy be filed with the records of this lodge, and a copy be presented to the family of the deceased.

Reid Mitchell Is Debate Winner

INTERESTING CONTEST AT THE CHRISTIAN CHURCH LAST NIGHT.

ATTENDANCE WAS GOOD.

Willford Whitley and Harvey Burgess were the other two contestants.

The declamation contest held at the Christian church last night by the Loyal Sons Class was well attended, considering the weather and other attractions in the city. The eulogies rendered by the three young men who took part in the contest, were exceedingly well delivered and the judges experienced some difficulty in deciding upon the winner. Reid Mitchell spoke on Zebulon, Vance; Willford Whitley on Charles B. Aycock and Harvey Burgess on Stonewall Jackson. Mr. Mitchell's address was decided upon as being the best by the judges. The judges were W. B. Rodman, Jr., John Bonner and O. H. Harding.

TO ENTERTAIN CARDINAL GIBBONS

MILWAUKEE, Wis., Aug. 3.—Extensive plans have been completed for the entertainment of Cardinal Gibbons of Baltimore, who is expected to arrive here tomorrow to attend the twelfth annual convention of the American Federation of Catholic Societies which opens next Sunday and continues during the following week. Unusual interest centers in the visit because it is believed that it will be, perhaps, the last trip of His Eminence to this city, as Cardinal has expressed a wish to spend the remainder of his days in quiet. He is 73 years old.

"PINETOWN" WINS FROM AURORA

PINE TOWN TEAM AND AURORA BORE A DISTINCT RESEMBLANCE TO GREENVILLE.

SCORE WAS 5 TO 2

P. BROWN FITTED FOR PINETOWN, WHILE LANIER AND HOOKER WORKED FOR AURORA.

In spite of the threatening weather, a fairly good-sized crowd saw the game between Pinetown and Aurora yesterday afternoon. Pinetown looked suspiciously like the Washington team and Aurora bore a distinct resemblance to Greenville. Only five innings of the game were played, but in those five Pinetown managed to shove five runs across the platter while Aurora had to be satisfied with two. Potts Brown pitched for Pinetown, while Hooker and Lanier worked for Aurora. Joyner, the new Washington third baseman played for Pinetown.

Pinetown lined up as follows:

Davenport, c. P. Brown p. Taylor.

1b. Barnes. 2b. Joyner. 3b. Smith. 4b. J. Brown. 5b. Carrow. 6b. Walker. 7b. Doss. 8b. Little. 9b. The Washington team, doesn't it?

BRISK INTEREST IN SMITH-FLYNN BATTLE

New York, Aug. 6.—Despite the hot weather the fanatic fans of the city are taking a great deal of interest in the Gumbo Smith-Flynn 16-round bout which takes place tonight at the Garden A. C. From the past performances of Smith and Flynn the bout between them promises to be no pink tea affair. Flynn is action personified when in the ring. He never stops carrying the battle to his opponent from the first clang of the bell until the last. He never permits his opponent a second's rest. He is always after him, showering punches to face or body. These whirlwind tactics have made Flynn popular in every city where he has ever boxed.

Flynn recently arrived here after a long automobile trip from his home in Pueblo, Col. That trip was the first stage in Flynn's training for the bout. He lived in the open except one night, when forced to stop over at Kansas City. Flynn has been training for several days at Dal Hawkins' road house. Smith has been equally busy preparing for the battle at Sheephead Bay. Both anticipate a fast and strenuous battle.

Two Players In 300 Class

P. Brown Breaks into Select Circle of 300 Swatters.

His Average is 318.

All Players Make Big Gains Due to Wednesday's Game With Greenville.

On account of the heavy hitting done in Wednesday's game with Greenville, all of the Washington hitters with the exception of Davenport raised themselves a peg or two in the percentage column. Averages are as follows:

Player	AB.	H.	PC.
Taylor	29	10	345
P. Brown	22	7	319
Cowell	28	8	286
Watkins	15	4	267

Davenport	26	6	231
Barnes	35	8	229
