Atlantic. Dancing Birds. Dancing Birds. One of the many strange sights of the palities of southern Africa is a par-ty of waltzing catriches. Their quee antics have been described thus: "When there are a number of them they will start off in the morning and after running a few bondred yards will whith rapidly round till they are stopefied or perhaps break a leg. The undee post also before fighting and to make ther court. They kneel on their aslinorim themselves alternately forward and backward or to ane side or the other, while the neck is stretched on a level with the back and the baed strikes the stroped in their occupation as to forget all that is going on around them so the sorbed in their occupation as to forget all that is going on around them so the much like an effort to speak with the mouth shut tight." Beven Wonders of the World.

Bouch the and effort to speak with the mouth shut tight." Beven Wonders of the World. We have no indication of the exist-about the end of the second century B. C. Then appears in an epigram of antipater of Silon an enumeration of the very ones inter appearing as the seven wonders. They are (1) the walls of Babylon, (2) the statue of Zeus at Oymia, (3) the innging gardens of Babylon, (5) the pyramida of Men-phis. (6) the matusel in the form phis. (6) the innging gardens of the they. The good man was still wondering and ran for the river vowing that sha ber just as she was going to take the phage. The days later there was a second outbreak. The dencon got aboue, pro-outbreak, and, of course, and enaget the temple of Diana (Artemio section opera, betrays that the saying had already assumed current prover-bial form. Diodorns, in the second half of the same contury (first B. C), speaks, do?" **Royal Scarlet** 

do?" "In a very few words, b

bial form. Diodorns, in the second paus of the same century (first B. C.), speaks, too, of "the so called seven works," and Strabo, a little later, uses the very phrase, "the seven wonders." From this time on, at least, the septem mirac-ula have an assured place in all the common lore of Rome. "Separ "No."
