For the purpose of building 150 mHes of improved automobile reads, connect, ing more than 400 rowns and 5,00,000 and facor which a storekeeper is no-was organized at Montene. Ark. by 300 delegates from Arkansas. Oklahoma, Missouri and Kansas. Oklahoma, but when a storekeeper permits a cus tomer to go an his books the least thai acumed expansion of good rouds and thelr upkeep without delay. How this prompt re turn courtesy will rebound to the cus max's sideautige has stready bees winted expansion. The territory to be embringed by the association consists of from ten to let me not be anhamed of being hn

Government lesues Report Citing Less-es to Farmers. Where bad roads prevail farmers are forced to move their crops, not when the market price is favorable, but when the roads are favorable and fee-quently at beavy peculiary loss as a result according to the office of public roads of the department of agricultura. In a statement it cites specific cases of such bases, asserting:

f such losses, asserting: Excessive fluctuations in market prices are seldom due to overproduc-tion. They frequently take place in regions where the local production does not equal the consumption. There are counties rich in agricultural posoblittles, burdened with bad roads the annual incoming shipments or food exceed the outgoing shipments

in the ratio of four to one

Precautions of Old Time Dactors. It was formerly the practice amon It was formerly the practice among physicians to carry a cane having a beliow hend, the top of which was gold, pierced with holes like a pepper box. The top contained a small amount of aromatic powder or at shuff, and on entering the bouse or room where a disease supposed to b infectious prevailed the doctor would strike his cane on the floor to agitate the powder and then apply it to the mose hence all the old prints of phy-sicians represent them with canes is their noses.
