## FUNERAL OF MRS. H. C. D. HILL TAKES PLACE

Passed away Yesterday at her Home on Pierce Street. Interment was in Oakdale Cemetery.

After an illness of several days as a result of pneumonia Mrs. Sallie L. Hill, wife of H. C. D. Hill, passed away at her home on Pearce street yesterday morning at 9:30 o'clock. Mrs. Hill had been confined to her bed since Friday last and while everything was done to relieve her suffering it proved of no avail so she answered the "roll call" after a well spent life of sixty-nine years. Mrs. Hill before her marriage was Miss Sallie L. Lee and while born in Washington spent the major portion of her life at Chocowinity. In 1874 she was happily married to Mr. Hill who survives her. As a result of this union four children came into their home, all of whom are still living, being Mrs. Beatie Clark of Chocowinity; Mr. J. F. Hill of this city; Mrs. Lena Strickland of this city and Mr. J. A. Hill of Wilmington, N. C. Besides a heartbroken husband and four children the deceased also leaves nine grandchildren to mourn their loss.

For years the deceased has been a consistent member of the Methodist church and was noted for her circumspectness of walk and life. She was a devoted wife and loving mother. The funeral took place this afternoon from the residence on Pearce street at 2 o'clock, conducted by Rev. E. M. Snipes, pastor of the First Methodist church. The interment was in Oakdale cemetery.

## BEVERLY OF GRAUSTARK HERE JAN. 22

It is always delightful to discover when one has sought an evening's entertainment at the theater, that one's choice has fallen upon a play of clean morals and piquant daintiness. Such will be the case for those who visit the New Theater January 22nd, to witness a performance of "Beverly of Graustark," one of the prettiest pieces of literature that the famous George Barr McCutcheon has as yet given the public as dramatized by Robert M. Baker. It pleases the eye and delights the mind and the company presenting it has left nothing undone in the way of local scenery, costuming and careful selection of prominent actors.

Beverly Calhoun is especially happily interpreted by Miss Dorothy De Ecker.

## ADVOCATES CLOSING OF STORES EARLY

Sunday School Superintendents Pass Resolutions Regarding the matter. Give Reasons.

Whereas, the keeping open of the stores and business houses of the city on Saturday nights until twelve o'clock is a great hindrance to many of the young men and ladies from attending Sunday school and church service on Sunday morning by keeping them up until such a late hour and whereas, it also affords a reason for many not employed to remain on the streets until a very late hour, which is a form of idleness. And whereas, we believe it would be better for the merchants and all concerned to close all business not later than 10 o'clock, there by giving everyone an opportunity to get a reasonable amount of rest from their week's labor that they might be able to attend morning worship, and

Whereas, we believe everyone can transact any trade or business by 10 o'clock Saturday night, and be ready to retire for rest, that they may be prepared to enter upon the duties of Sunday, therefore be it

Resolved, That we encourage whatever effort is being made toward closing the stores and business houses at an earlier hour on Saturday night.

Resolved further, that we do earnestly request that the citizens in general aid in this cause, by being prompt in attending to whatever trade or business they may have to do early, that the merchants may be able to comply with the above.

Resolved further, that we request the ministers of the city to encourage the movement by urging same to their various congregations.

Resolved further, that we do not believe it necessary for our City Aldermen to pass an ordinance requiring earlier closing, but we believe that all concerned are willing to comply with any measure that will add to the betterment of our citizens.

Resolved further, that we extend our thanks to Mr. H. S. Ward and our Honorable Mayor for being the first to bring this matter before the public. Also we thank the Washington Daily News for donating their columns to the publication of their articles, and request that they publish these resolutions.
