THE PEOPLE SHOULD NOT SUFFER

The combination and agreement of the city market men to arbitrarily raise the price of meats from 15 to 33 1-3 per cent is an act which should be resented by the citizens of Washington and should be a subject for consideration by the Board of Aldermen.

Before this advance the prices here were on a par with those in New Bern, Greenville, Belhaven and other places. If the dealers at these other points can survive on such prices why can not the dealers in Washington do likewise?

There is one man who had the nerve to hold out against the overtures of the combination and this man's name and telephone number should be written down by every householder in the city and whenever they want fresh meats of any kind remember that he is the only one who will break the combination should it be broken; he should be encouraged by each and every one.

The Board of Aldermen can help the situation by adopting an ordinance which will permit the country carts to retail fresh meats on the streets. Housekeepers, its up to you. Will you patronize the men who have combined to advance the cost of living or will you help Mr. Dudley to hold the price of fresh meats down and thereby save your hard-earned dollars.

Your acts are your answer. Form clubs in your neighborhood and let the powers know that you will not submit to such injustice.

NOTICE TO TAXPAYERS

All persons who have not paid their taxes for 1913 will please do so at once or they will have to pay the cost of levies and garnishments which will be issued against their property and polls. The taxes should have been paid before Jan. 1, 1914, but I have taken the responsibility to extend the time, so as to be lenient to you. I am now instructing my deputies to garnish for poll taxes and to levy on, all land the taxes are not paid on by March 1st. Those who are caught by garnishments and levies will have to pay cost, and no one to blame but themselves. I am compelled to collect the taxes, and I hope all who have not will settle promptly at once, so as to avoid the necessity of my collecting their taxes by distress. I will forward statement to any one by mail on receipt of request.

Very respectfully, GEO. E. RICKS, Sheriff Beaufort County.
