which was managed in the old-fash-ioned way kept 16 cows and sold their butter in the local markets for 27 to 30 cents a pound. The herd consisted of ordinary cows of mixed breeding which were allowed to run most of the year, but were tied up in the "overshot" at milking time. in the "overshot" at milking time. In the name. Nowe started to run in 1911, becoming dissatisfied with and Childer followed, shooting again ment

CITY ORDINANCE.

In 1911, becoming dissatisfied with results, the owners decided to ship cream to Washington, D. C. This was found to be more profitable, as they received 45 to 50 cents a pound for butterfay, but on the first vizit of the district inspector the buildings were pronounced insanitary. The cellar of the dwelling house was used as a dairy house; the barn was an old time general-purpose barn; thera The Board of Aldermen do enact: 1st. That it shall be the duty of necessary.
