FOR RECORDED.

Mr. J. H. Scott of Blounts Creek has announced himself a candidate for the office of Recorder for Washington District.

Mr. Scott is a successful farmer of prominence in his community. A few years ago he began the study of law at home and through hard study he prepared himself for the examination before the Supreme Court and passed with credit to himself. He is a member of the Democratic Party of Washington, Long Acre and Chocowinity townships for election to this office of responsibility and trust.

IDEA GOOD ONE.

This paper has heard the suggestion made and we think it a good one, that if some citizen would make for paper arrangements for sprinkling second street, and other streets as for that matter, say twice per day or even once provided it is done thoroughly, that no doubt the residents along the route would gladly pay a stipulated amount to be spread upon for such service weekly. If this scheme were put into effect, doubtless it would make a good thing for the who manages it. The dust now is almost unbearable, so much so that the citizens cannot enjoy their porches with any degree of comfort. Perhaps the city spring for might be induced to come out from under cover—for now it seems to be an inter-stranger on the streets. The cost individually would be small—a mere bagatelle, while the comfort and pleasure derived therefrom would be almost boundless. As we stated above the suggestion we think is an excellent one.

GOSPEL SERMONS.

Washington is now being afforded a rare privilege as well as a pleasure, in the series of evangelistic services in progress at the First Presbyterian Church, conducted by Evangelist W. H. H. Smith, Sr., of Good.

FOR SHERIFF.

To My Friends and Fellow Citizens of Beaufort County: I hereby announce myself as a candidate for the Sheriff's office. I have only one promise to make to you people should I be elected and that is the same promise that I made to my good friends who so ably supported me in the last campaign when they made me their choice as Recorder for Washington, Long Acre and Chocowinity townships, and that is the same promise I now make to the county as a whole, that is, if you will make me your sheriff I will do nothing to bring reproach upon the county or myself, and you will not be ashamed of me as your Sheriff. If elected, I shall be as lenient as possible with you in setting your taxes; but will collect when they become due as the law directs. Be sure and pay your poll tax before the first day of May, 1914, so you can vote on election day without being challenged. Thanking you in advance for any support that you may give me. Respectfully, WILLIAM B. WINDLEY, Washington, N. C. 3-14-1wp.

FOR SHERIFF.

To the Democratic Voters of Beaufort County: Having received many inquiries from my friends from the different sections of the county as to whether I will be a candidate for renomination and election and expressing their desire to vote for me again, I take this method to express to my friends my sincere thanks for their loyal support heretofore and if you think I am a worthy officer and have discharged the duties of the office well and carefully guarded the county's interest, then I ask you to give me your hearty support in the primaries and I will serve you as best I can two more years—serving your process and collecting your taxes as modestly as it can be done to collect as closely as I have since I have been your sheriff. By reference to the financial committee's reports you will find my insolvent lists for each year have been about two per cent of the taxes.

Now if you think a new sheriff, without experience, can do you better service and that you can save to the county money, by making a change, then it is to your interest and your duty, as I see it, to do so. If not the county needs every cent due it and if I am continued by my Democratic friends in the sheriff's office I can only promise to do what I have done, to give you my whole time and undivided service.

Again thanking you for your past favors and for your support at the coming primaries, I am, Sincerely your servant, GEO. E. RICKS.

WISHED SHE COULD DIE

And Be Free From Her Troubles, but Finds Better Way.

Columbia, Tenn.—"Many a time," says Mrs. Jessie Sharp, of this place, "I wished I would die and be relieved of my suffering from womanly troubles. I could not get up, without pulling at something to help me, and stayed in bed most of the time. I could not do my housework.

The least amount of work tired me out. My head would swim, and I would tremble for an hour or more. Finally I took Cardui, the woman's tonic, and I am not bothered with pains any more, and I don't have to go to bed. In fact, I am sound and well of all my troubles."

Cardui goes to all the weak spots and helps to make them strong. It acts with nature—not against her. It is for the tired, nervous, irritable women, who feel as if everything were wrong, and need something to quiet their nerves and strengthen the worn-out system.

If you are a woman, suffering from any of the numerous symptoms of womanly trouble, take Cardui. It will help you. At all druggists.

Depressed Spirits to Be Happy

A celebrated French physician has said that "a man's liver is the barometer of his disposition."

Every man and every woman knows that the cheerful smile is a big factor in one's success.

Everyone should know that the disordered liver is cause of ninety per cent of human ills. Lazy overworked livers are the prime cause of headaches, indigestion, constipation and dozens of other ills.

But the inactive liver always warms by coated tongue, sour stomach, dull eye and even lassitude. Heed your warning and insure happiness to yourself and reflect it upon your associates. Calomel used to do. Modern day science has found a better way in CARSWELL'S LIVER-AID which is a pure vegetable remedy on sale under a guarantee or money refunded at 50 cents for large bottle. Ask the Hardy Drug Co., about it.

Having received many inquiries from my friends from the different sections of the county as to whether I will be a candidate for renomination and election and expressing their desire to vote for me again, I take this method to express to my friends my sincere thanks for their loyal support heretofore and if you think I am a worthy officer and have discharged the duties of the office well and carefully guarded the county's interest, then I ask you to give me your hearty support in the primaries and I will serve you as best I can two more years—serving your process and collecting your taxes as modestly as it can be done to collect as closely as I have since I have been your sheriff. By reference to the financial committee's reports you will find my insolvent lists for each year have been about two per cent of the taxes.
