PARTY HARMONY.

In his address to the Democratic Convention last Saturday Joseph F. Taylor urged the Democrats of Beaufort county to put aside all differences and unite in the interest of party harmony. His argument was well taken because unless there is some let up in fighting of factions, feuding and profaneities there will be a split in the party which will result in disaster. Get together and don't disrupt the party for the sake of winning in some personal or factional matter.

FOR SHEETS.

To My Friends and Fellow Citizens of Beaufort County:

I hereby announce myself as a candidate for the sheriff's office. I have only one promise to make to you people should I be elected and that is the same promise that I made to my good friends who so ably supported me in the last campaign when they made me their choice as Recorder for Washington, Jones and Chocowinity townships, and that is the same promise I now make to the county as a whole, that is, if you will make me your sheriff I will do nothing to bring reproach upon the county or myself, and you will not be ashamed of me as your sheriff. If elected, I shall be as lenient as possible with you in getting your taxes; but will collect when they become due as the law directs. Be sure and pay your poll tax before the first day of May, 1914, so you can vote on election day without being challenged.

Thinking you in advance for any support that you may give me.

Respectfully,  
WILLIAM B. WINDLEY,  
Washington, N. C.

FOR SHEETS.

To the Democratic Voters of Beaufort county:  
Having received many inquiries from my friends from the different

sections of the county as to whether I will be a candidate for re-nomination and election and expressing their desire to vote for me again, I take this method to express to my friends my sincere thanks for their loyal support heretofore and if you think I am a worthy officer and have discharged the duties of the office well and carefully guarded the county's interest, then I ask you to give me your hearty support in the primaries and I will serve you as best I can two more years—serving your process and collecting your taxes as modestly as it can be done to collect as closely as I have since I have been your sheriff. By reference to the financial committee's reports you will find my insolvent lists for each year have been about two per cent of the taxes.

Now if you think a new sheriff, without experience, can do you better service and that you can save to the county money, by making a change, then it is to your interest and your duty, as I see it, to do so. If not the county needs every cent due it and if I am continued by my Democratic friends in the sheriff's office I can only promise to do what I have done, to give you my whole time and undivided service. Again thanking you for your past favors and for your support at the coming primaries, I am,  
Sincerely your servant,  
W. B. WINDLEY.

THE NEW SOUTH  
By HENRY W. GRADY

LET me picture to you the footsore Confederate soldier as, buttoning up in his faded gray jacket the parole which was to bear testimony to his children of his fidelity and faith, he turned his face southward from Appomattox in April, 1865. What does he find, let me ask you—what does he find when, having followed the battle stained cross against overwhelming odds, dreading death not half so much as surrender, he reaches the home he left so prosperous and beautiful? He finds his house in ruins, his farm devastated, his slaves free, his stock killed, his barns empty, his trade destroyed, his money worthless, his social system, feudal in its magnificence, swept away; others heavy on his shoulders. Crushed by defeat, his very traditions are gone; without money, credit, employment, material or training, and besides all this, confronted with the gravest problem that ever met human intelligence—the establishing of a status for the vast body of his liberated slaves.

HUSBAND RESCUED  
DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Cañon, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during the time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without its tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.
