

Great Service Presbyterian Church On Last Evening

Evangelist Wright Preaches Sermon Of Spiritual Power

The interest in the meeting at the First Presbyterian Church continues to increase.

The religious life, the Christian life, is difficult; it is an uphill journey.

MED. SOCIETY WERE GUESTS DR. TAYLOR

Dr. David T. Taylor and Joshua Taylor were the hosts to the Beaufort County Medical Society last evening.

The meeting proved one of the most delightful yet held by the society in that the hosts were present in their role as entertainers.

WILSON GRAMA

Miss Mamie Williams of Upper House section spent last week visiting relatives here.

We regret that Mr. Leamy, 22-year operator of Dominion Lumber Co., met with the misfortune of getting his left arm badly crushed in the mill yesterday.

ROSES ARE VALUABLE TO ATTRACT

Washington, D. C., June 3.—Climbing roses are a valuable aid to the man who is interested in having his home in attractive surroundings.

After the blooming season of climbing roses is over in June, the Department's landscape gardener advises that shoots should be pruned so as to throw the growth of the plant into the new wood that bore the flowers this year.

The renewal of wood must begin from a point higher up instead of from the root as the growth of a bush is not enough to replace all its top one-third.

Those who have grown climbing roses as a screen on their porches, in order to insure a fine bloom the coming year, will do well to follow the advice as given for the higher trellis.

Mr. Leon Taft, mill foreman, who left via night express Friday 2 a. m., has returned with his family.

Miss Nancy Taylor and Miss Nelson of Haw Branch, accompanied by Messrs. Harvie Taylor and Jim Hill were the guests of friends near Wilmar Saturday and Sunday last.

A party of young people consisting of Misses Minnie Nelson, Nancy Taylor, Charity and Ethel Purser, Susan Williams and Doris Chandler, accompanied by Messrs. Jim Hill, Clayton Lancaster, Ray Beavers, Harvie Taylor, Charley Gentry and Victor Williams, respectively, whiled away at the day busily, by short runs, at the following homes:

The crops in this section are good in spite of drought. Farmers here are getting a bit impatient with the weather man.

Mr. Louis F. Farley, general of Dominion Lumber Co., met with the misfortune of getting his left arm badly crushed in the mill yesterday.

LATE CITIZEN WASHINGTON PASSES

New York, June 3.—Thomas M. Robinson, who served for two terms as president of the New York Cotton Exchange, died yesterday at the Long Island College Hospital.

But if Mr. Mitchell was nervous he exhibited superb poise and admirable self-control. Most people would have been satisfied merely to sit still and feel the thrill, but sailing through the clouds was not in itself enough to interest Mr. Mitchell, and he took his camera along with him to while the time away.

Many of the older citizens of Washington will remember Mr. Robinson very well, and that years ago, soon after the Civil war, he owned and occupied the dwelling house on Water street, in Pungo town, where Mr. and Mrs. Frank H. Short now reside.

Mr. Robinson visited Washington at the home of Capt. J. G. Bragg about three years ago, that being his first visit to his old home town in about forty years.

50 PRESENTS GIVEN AWAY NEW THEATRE

"Follies of 1914" presented at the New Theater last night met with a big success. It was made entirely of singing and dancing.

The majority of troupes that change every night generally give an inferior play each night after they once open a house. But this troupe is improving every night. For tonight they will present "Casey Jones at the Rag Time Ball," a comedy that is one continuous laugh from the rise of the curtain to the fall of the same.

Quite a number of Beaufort county delegates are in Raleigh today attending the State Convention.

Mrs. Bertha Ward of Farmelo, N. C., who has been visiting Miss Cavie Lewis, left for home this morning via the Atlantic Coast Line.

These present were Miss Campbell, Miss Lillian Campbell, Miss Mayo, Miss Maud Windley, Miss Tankard, Miss Conley and Mrs. Elizabeth Windley.

INTEREST IN SUNDAY SCHOOL CONVENTION

As the date approaches the interest in the great triennial International Sunday School Convention to be held in Chicago June 23-30 increases.

A very attractive rate is being offered by the railroads. The round trip fare from points in North Carolina ranges from \$54 to \$52.

Twenty thousand delegates are expected to attend this convention although only five thousand regular delegates will be seated in the Medinah Temple where the main sessions of the convention will be held.

The International Sunday School Conventions are by far the greatest Sunday School gatherings held on the American continent, having at issue the fundamental things that have made the Sunday School movement famous.

Since the association held its last convention in San Francisco, 60,000 helpful conferences, conventions and institutes have been held under its auspices, reaching right down through its auxiliary associations to the local schools, with a view to standardizing and vitalizing them according to the plans of the respective denominations to which they belong.

Sunday Schools would do well to encourage some choice delegates to attend this history making Convention by at least paying the railroad fare. They could spend money to no better advantage as the schools would be directly benefited.

The late lamented N. B. Broughton, who for seventeen years served as chairman of the Executive Committee of the North Carolina Sunday School Association as well as chairman of the Baptist Sunday School Board, was often heard to say in his speeches that he had been able to build up his widely known school largely by contact with the recognized leaders of Sunday School work in interdenominational conventions.

Individuals in any part of the state can volunteer as delegates to this convention. They will need only to write to the North Carolina Sunday School Association or to J. Walter Long, Greensboro, to secure the necessary credentials and to get in touch with the party going.

Miss Mattie Hughes Bright is Editor in Chief. Her Work Shows Skill and Tact. Congratulations

The first number of the Training School Quarterly for the month of April, May and June, 1914, issued by the students and faculty of the East Carolina Teachers Training School, Greenville, N. C., is on our desk.

The Quarterly is surely a credit to this institution, which is accomplishing such a great work for the young women of the state and the Daily News is proud to learn that one of Washington's young ladies was the guiding hand and director of such a worthy publication.

Mattie Bright, Beaufort County: "The slim and slender twin. A person of marked ability. Did you see her name as editor in chief of this magazine. She sees things in the right light, keeps a cool head and has a realization of her responsibilities. Throws goal on the basket ball field with an easy gracefulness."

Both of these young ladies will receive their diplomas of graduation at the coming commencement and this paper feels sure no young ladies will reflect more credit upon this worthy institution of learning.

FIRE SWEEPS BARN OF MR. J. M. BENSON

The barn of Mr. J. M. Benson located in Pantego Swamp, about three miles from Pantego, was destroyed by fire last night between twelve and one o'clock and the consequence was that not only the building was a total loss but its contents.

Mr. and Mrs. John Gorham and son, Alonzo Dumay Gorham, have returned to the city. Mrs. Gorham and son have been visiting Miss Pan Dockery, at Rockingham, and while her guests little Alonzo was taken sick and his condition was such that his mother thought it best to come home.

Individuals in any part of the state can volunteer as delegates to this convention. They will need only to write to the North Carolina Sunday School Association or to J. Walter Long, Greensboro, to secure the necessary credentials and to get in touch with the party going.
