SATURDAY, JUNE 13, 1914. ALCOHOL BARRED FROM NAVY

Alcohol as a beverage has been barr-ed out of the United States navy Following the recommendation of Surgeon General Braisted, Secretary of the Navy Josephus Daniels has issued an executive order abolishing all alcoholic liquors from every ship and station of the navy. The order reads. "The use or introduction, for drinking purposes, of alcoholic liquors on board any naval vesse', or within any naval yard or station, is atrictly prohibited, and commanding officers will be held directly respon sible for the enforcement of this or-The significance and extent of the change which has taken place in popular views regarding alcohol as indicated by this sweeping order of the secretary, can be appreciat et only when one recalls the stories of naval experiences of past gener ations, when rum, brandy and whis key formed a part of the regular of ficial rations, when liquor of som-kind was served, as a routine proce dure, to officers and men before go ing into action, and when one of the chief characteristics of sailors whether officers or seamen, was that ability to dispose of an amazing quar tity of intoxicants. The development of scientific methods and the use of instruments of precision in war-fare have made alcohol detrimental to the modern naval man. Sea-fights in the past were won by brute hardihood and physical enduranc which could perhaps be stimulated temporarily at least, by large dose of alcohol. All these things modern physiolog has shown to be impaired by even small amounts of alcohol. Intoxication in the naval officer today might easily be as disastrous as cowardice and treason. ANNOUNCEMENT."

In 1906 the call came from the country and the city for me to run for the Legislature. For some time I refused for the reason that I was their take not in position to make the sacrifice but the insistance was so persisten that I yielded. At that time I told the public that my only ambition was to serve the people to the best of my ability.

Now the same or even more per sistent call has come to me again For some time I did not consider it I am not able to make the sacrifice and yet the people from the country and the city have for some time so urged me that I do not know how t refuse, so I have agreed to make the sacrifice if the people want me and I now ask for the Democratic nom

Below will be found Mr. Mixon's reply to our inquiry and Mr. Freeman's letter: Washington, N. C., June 11, '14. Mr. S. F. Freeman,

so urgent, that now, since you have published your letter to me, I do not ee how I can do otherwise. So, I will now try to state my position is this matter. Four years ago, when I ran for

the office of County Treasurer, looked the situation over carefully, got all the information I could, and was convinced from what I saw and learned, that the prevailing sentiment among the people at that time in reference to county politics, was two terms in office, and that this policy would be adopted that year, and

all the county officers required to abide strictly by this rule. I therefore made my campaign on a two term policy, and personally I am still willing to live up to this rule if the people see fit to enforce

it with respect to all county of ficers. Time and subsequent devel-FOR SHERIFF.

have only one promise to make to you people should I be elected and that is the same promise that T is the same promise that I made to my good friends who so ably supported me in the last campaign when they made me their choice as Recorder for Washington, Long Acre and Chocowinity townships and that is the same promise I now make to the county as a whole, that is, if you will make me your sheriff

I will do nothing to bring reproze upon the county or myself, and you will not be ashamed of me as your Sheriff. If elected, I shall be as enient as possible with you in settling your taxes; but will colled when they become due as the law di-

I do not lieve therefore, that the majority of the people desire that I should alon be held to the two term polley.

I made my promise to the people however, and I feel that the peo ple alone can free me from this proimse. I cannot, therefore, in good conscience make a persona fight for the office, but as a great many are urging me, I will deeph appreciate the support and as e of all friends in their effort to give me the nomination.
