

## COUNTY CONVENTION RATIFIES THE ACTION OF RECENT PRIMARY

### Convention Rescinds The Two Term Policy By a Good Majority. Justice Of The Peace and Constables For Respective Townships Nominated. Convention Enthusiastic.

The Democratic County Convention met at the Courthouse yesterday morning at eleven o'clock pursuant to a call of Chairman Lindsay C. Warren under the direction of the County Executive Committee. A large number of delegates from all sections of the county were present and the convention was enthusiastic from every viewpoint. Chairman Warren called the convention to order and in his address urged a solid Democracy and impressed upon all the fact that they must rally and support the nominees. After making a speech full of vim and encouragement and predicting success this fall at the polls Mr. H. C. Carter Jr. was called to the chair as temporary chairman and the members of the press present were requested to act as secretaries.

On motion of B. T. Bonner the temporary organization was made permanent. A roll of the precincts was then called and all were represented with the exception of three. A motion was made by J. D. Grimes to ratify the nominees of the recent legalized primary. This was adopted.

Mr. C. B. Paul spoke in opposition to the ratification of the nomination of certain officials as being against the platform of the party as adopted four years ago.

Mr. E. W. Ayers made a statement with regard to the school fund of Beaufort county.

Sheriff Geo. E. Rieks made an explanation in reply so far as the statement referring to his office was concerned.

On motion B. B. Ross was recognized as the delegate from Bonner-ton.

On motion S. W. Windley was declared a delegate for Yatesville.

The following were nominated for Justices of the Peace and Constables in their respective townships:

Washington Township—A. Mayo, E. T. Stewart, C. M. Brown, E. W. Ayers, W. K. Jacobson and C. G. Morris. At Large—Alfred Hodges, W. G. Stancill, S. L. Willard, Constable—B. T. Chauncey.

Bath Township—J. F. Tyler, C. B. Paul, W. H. Tyler, Constable—W. D. Litterman.

Long Acre Township—L. M. Shepherd, N. A. Cutler, J. Z. Bowen, Constable—O. L. Alligood.

Chocowinity Township—C. R. Galoway, H. H. Hill, Jr., L. H. Hardison, Constable—T. H. Mills.

Pantego Township—N. W. Paul, H. A. Tolson, W. B. Riddick, O. J. Nye, A. B. Jones, Constable—W. B. Smith.

On motion the above nominations were ratified by the convention. Dr. Joshua Taylor was nominated for Coroner by acclamation.

L. H. Ross was named for County Surveyor by acclamation.

The following communication from the Board of County Commissioners was read:

To the Democratic County Convention to be held on July 10th:

Gentlemen:—As the Democratic party is the majority party in Beaufort county and is therefore answerable to the people we believe it our duty to present to you certain matters for your consideration and attention.

The Recorder Courts of the county are now being operated at a loss in that the costs are inadequate to provide for the salaries. Two years ago a committee was appointed to reduce the costs then in effect and to recommend salaries for said courts, thereby abolishing the fee system.

After careful consideration we believe that the costs are too low, and recommend that said courts for trial and judgment in each of said courts for all cases tried by them be fixed at not less than \$3.00.

We further recommend that if the Mayor of Washington is to continue to try cases in the city, then the Clerk of the Washington Recorder Court should be discontinued, and the Recorder be required to perform the clerk's duties without extra compensation.

FREE RUGS—IF YOUR CASH PURCHASE amounts to \$1.00 we will give you a beautiful Japanese Rug, 11x36 inches. J. E. Adams.

pression.

We further recommend that the act now in force allowing Justices of the Peace to bind over direct to the Superior Court be abolished, and that said Justices of the Peace be required to bind over all cases coming before them within the Recorder's jurisdiction to the Recorder.

It has been suggested to the Board that all of the Recorders be given civil jurisdiction, and that beginning December 1, 1916, there should be one county court presided over by one recorder, who would sit from time to time in various places in the county. These are merely suggestions.

We desire to also call your attention to the fact that the office of Sheriff is being operated on both salary and fees.

This July 6, 1914.

(Signed.)  
H. C. BRAGAW,  
W. S. D. EBORN,  
W. H. WHITLEY,  
W. E. SWINDELL,  
C. P. AYCOCK.

On motion of J. F. Taylor to table the communication it was unanimously adopted.

A motion was made by W. A. Thompson to appoint a committee to draft a Recorder's Court bill. Upon a vote of the convention being taken the vote was declared lost by the chairman.

On motion from Wiley C. Rodman the communication from the County Commissioners was referred to Jas. L. Mayo, the nominee for representative for his consideration.

W. B. Windley, nominee for sheriff, was called upon by the convention for a speech.

On motion of P. H. Johnson, a resolution was adopted instructing the representatives to enact a law increasing the pay of County Commissioners from \$2.50 to \$5.00 per day and mileage, and that the number be reduced to three instead of five as at present.

R. S. Neal moved that the convention adjourn. The motion was lost.

On motion of C. B. Paul that the convention adopt the two term resolution adopted four years ago, the motion was lost by a vote of 24 and 6-14 for endorsement and 47 9-14 against endorsement. Therefore the two term policy as adopted four years ago was rescinded.

Hon. John H. Small addressed the convention. He advocated a state wide primary for all parties to be held on the same day and for the nomination of all state and county officers.

Jas. L. Mayo, the nominee for representative was called upon for a speech.

This afternoon in Aurora there will be held a township convention for the purpose of nominating the Justices of the Peace and the constables for Richland township.

## RESOLUTIONS.

Whereas, on the night of July 3rd, 1914, the gentle humble spirit of Susan Jennette Wells was called to the realm above to enter the life triumphant and by her transition the ladies of the M. E. Church Aid Society of Washington, N. C., has lost one of its most consecrated members. Therefore, be it resolved:

First, That we as a society do deplore the loss of this faithful sister in Christ, but bow in humble submission to the will of Him who doeth all things well.

Second, That we extend the deepest heartfelt sympathy to the sorrowing loved ones and pray that through their tears they may be enabled to look up and kiss the rod that smites, realizing that "all things work together for good to them that love God."

Third, That while we shall miss one who was faithful in every walk of life, whose pleasure it was to do her Master's will, yet we feel that the tenderest spirit is now basking in the sunlight of God's love.

Fourth, That a copy of these resolutions be spread upon the minutes of our society, copies sent to the Raleigh Christian Advocate and Washington Daily News for publication, and a copy sent to the bereaved family.

## MISS DANIELS HOSTESS TO THE MAIDS

Tomlinson, a prominent business man of High Point, in the fall.

After the party had assembled they were presented with score cards in the form of hearts and a very interesting game of hearts followed. After the game, to the strains of the wedding march, pretty little Louise Daniel, as rapid, descended the stairs and was met at the front door by Master Adrian Daniel, Jr., dressed as a Western Union messenger boy, and delivered to him a telegram which he delivered to the hostess, who read the following announcement: "Cupid wishes to announce that Miss May America Lovelace and Mr. Charles F. Tomlinson will wed in the fall of nineteen hundred and fourteen." Mrs. Harry Wilson toasted the bride-elect, to which Miss Lovelace made a gracious response.

The punch bowl was gracefully presided over by Miss Edwina Lovelace, Miss Marion Hines, of Rocky Mount, Miss Bessie Clark and Miss Erwin Carter. A delightful salad course with iced tea was served.

## GAY SISTERS ATTRACTION NEXT WEEK

With today's matinee and night performance the Olivers Grand Jubilee Company will close their week's engagement at the New Theater. The four act vaudeville put on last night was up to the other acts that they have presented this week. This company compares well with any troupe that has ever been here. Tonight they will give what is known as request night in which they will put on any number that any customer of this play house has liked this week. So if you want any number repeated then ask the manager to do so, and it will be repeated. For next week this popular play house has made special arrangements for the well known "Gay Sisters Musical Comedy Company." This troupe has seven girls and three men, in which there are five Gay sisters. They are said to be one of the best attractions of its kind on the road. They carry their own scenery and electric effects. The songs are all new and catchy. The chorus is a bevy of pretty girls, and as for the comedians there is not any that can touch them. The management of the New Theater has gone to heavier expense than they ever have to secure this well known tabloid troupe, and they claim if they come up to what they are reported to be that the seekers of amusement next week will have the best treat of the tabloid season. There will be as usual next week three good films of the very best selected associated films. So do not fail to be there Monday night.

The congregation at the First Baptist Church enjoyed another great sermon last night. The preacher's soul was on fire with his theme and his message swept the audience with a cyclonic earnest and power that should cause a "shaking in the valley of dry bones." The theme was the "Wonderful Savior," and with burning eloquence the preacher portrayed the wonderfulness of—1. His birth, born of a human mother and begotten of the Holy Spirit, his birth is unique in the world's history. He is very God and real man. 2. He is wonderful in his character—a character that challenges the admiration of the world with its sinless perfection and in its universality becomes the ideal of every race and nation. He is equally the ideal of the American, the Englishman, the Chinaman, the African. 3. He is wonderful in His teaching. Having an originality that separated him from all other teachers, he also taught the profoundest mysteries with a simplicity that a child can understand. His teaching was so direct that none could avoid their purpose and so comprehensive that, if followed, they would man perfect the whole human race. 4. He was wonderful in his resurrection by which he accomplished his final victory over death and became the first fruits of them that slept. The audience was spell bound as they followed the flights of eloquence and caught something of the earnestness which mastered the soul of the speaker.

There will be services tonight at 8 o'clock. At 11 o'clock tomorrow Mr. Ham will preach on the "Spirit Filled Life," and tomorrow night his subject will be "God is Love."
