KHAKI-COLORED "COATS"

An Unique Acc't System

MR. EDWARD COHEN HAS JUST INSTALLED A MACHINE THAT IS A NOVELTY.

Mr. Edward S. Cohen, who has a beef and meat stall in the City Market, has just installed one of the most complete and up-to-date account systems the Daily News has ever seen. Every bill is kept accurately and every customer purchasing is given a bill of what he received and Mr. Cohen keeps one as well. The device is complete in every detail and must be such to be appreciated. A perfect bill system is his cardinal feature. The device is fire-proof, is handsome in appearance and convenient. It is surely an unique piece of work.

Since the Aristocrats of the Old World began tweaking each other's noses, it would seem that there is something wrong with the old system of Royalty. It no longer stacks up as the genuine regal article. And while we hold no grudge against Europe's titled Nobleman--this country still prefers to pay its homage to Nature's Nobleman. Somehow we like Nature's brand the best.

America has shown that she has the real peerage of the world--monarchs whose domains are Civilization and Enlightenment. The kind of titles we tipour hats to over here are Dukes of Dignity, Princes of Peace, Lords of Love and Labor, Sirs of Service and Self-Sacrifice, and Counts of Courtesy, Consideration and Common Sense. We have plenty of such right here in town.

This week we are holding a reception in this store to these Royal Men of America. It is the semi-annual Peace Conclave, when these men pick out clothes that make them feel and look like the Royal fellows they truly are.

ROYAL RECEPTION WEEK
September 12th to 19th
All Royal Fellows Invited

While the Kings of the Old World are engaged in tearing Royal clothes off each other's backs; peaceful and bountiful American Kings will embellish their backs with better and finer raiment--truly Royal Tailored.

Get the Prosperity Look. That means the Royal Tailored Look. The key to the most abundant success you ever had will be yours the next twelve months if you will look the part--feel the part--and play it wholeheartedly.

A whole world of worsted and woolen fabrics to select from--any texture, any color, any pattern of your choice is here--at these amazingly low prices.

Prices: As amazing as \$16, \$17, \$20, \$25, \$30 \$35

GENUINE "MOOSEH"
Charleston, Mo., Sept. 15--William C. Brower is a Progressive candidate for Congress from the Fourth district of Missouri. To show that he is a genuine Bull Moose he today added this slogan to his cards:

"Progressives and Republicans will reunite when the chickens roost with the hawk."

FIRST COMPLETE EXHIBIT.
San Francisco, Sept. 15--The first complete exhibit at the Panama Pacific Exposition was today installed in the Palace of Liberal Arts. It is a "working exhibit," forming the central police and fire alarm signal station for the entire exposition ground.

"PULVERIZE FRANCE AND THEN CAPTURE LONDON."
London, Sept. 15--An American tourist returning from Switzerland tells the following:

A large German who was stopping at the Lausanne Hotel just before war was declared was boasting of Germany's prowess and of the Prussian war machine's irresistible strength. "We'll pulverize France," he declared, "and then we'll land an army in Scotland and march up and down and capture London. There's nothing that can stop our Ward Lord and his war machine."

"You've overlooked one thing," quietly remarked an Englishman, "our Boy Scouts." The German was subjected to such unmerciful "ragging" after the call that he moved two days later.
