

WASHINGTON HAS A WALK-OVER WITH THE KINSTON ELEVEN

Washington 30; Kinston 11. Football with all its glories was celebrated yesterday when Washington met Kinston in the first game of the season.

The game was called at 5:15 and things started when Washington kicked to Kinston. The ball was caught by one of their men and was immediately downed by J. Weston.

Several good plays were made in this quarter, but the most important feature was Morgan's line work. He seemed to know where the ball was going and he went there.

Kinston punted and the ball was caught by E. Weston, leaving Washington on the offensive.

E. Weston was tried twice for end runs but the Kinston boys had their eyes on him and he just couldn't get away.

The end of the first quarter finds Washington five yards from goal line.

Second Quarter. The ball was carried over after the first down by J. Weston. The ball was successfully kicked, making a score of 6-0.

Washington again kicks the ball and man is downed by Ricks. E. Weston was there with the tackling and every man that he caught was carried backward for about two yards as if a whirlwind had struck him.

Jones was worked hard this quarter and his line plunges gained greatly for the home boys.

This time a forward pass was blocked by E. Weston and Washington again starts with the ball.

After a few downs with little gain the ball is kicked and Ricks has his men again, almost in his tracks.

Washington forward passes, but is blocked by E. Weston. Kinston tries a kick which is caught by Jones who makes good gain with the ball. J. Weston makes long end run but is down before goal is reached.

E. Weston is given the ball immediately and another long run is made. After another end run is tried, and Kinston blocks a forward pass comes the end of second quarter.

Third Quarter. This time Kinston kicks the ball and Weston gets far up field before downed.

One of Kinston's men was knocked out for a little while, but not seriously hurt.

Jones again goes through line as if they were babies, but one of the backs downed him.

Then big Jim Weston carries the ball over with three of Kinston's men hugging him and pushing back for dear life. The goal was not kicked this time, leaving the score 18-0.

Washington kicks ball and the man downed in his tracks. This time a Kinston man cleared Washington's line and started down the field. A touchdown seemed sure, but suddenly some one shot out from Washington's line as if from a cannon. Then for an instant it seemed man-to-man going down the field. The Kinston man put forth every effort, but soon a pair of arms in blue and white encircled his waist and Rabbit Weston had him.

Washington's line seemed impregnable. Forward pass was caught by Warren, who made good gain for Washington.

Jones gets his single hurt and Forbes is put in his place for a short time. Then Kinston makes a successful forward pass and men clear everything again. E. Weston is seen again in action and in less time than it takes to tell it the man was plowing the dirt with Weston entwined around his legs.

Cordon made good tackle and probably saved a touchdown. Hathaway and all of the boys were there when it came to tackling, everybody played with a vim.

Forward pass tried and Jones (again in the game), downed man before he moves. Then some one steps in J. Weston's face and spoiled his beauty for a day or so, and Kinston makes a safety, leaving the score 18-2.

Great gains were made by Washington through forward passes and end runs by both of the Weston boys. Jim just played "ten pins" with Kinston when he was running.

After many unsuccessful trials E. Weston got last year's loose and you know the rest. A touchdown was made; the goal was not kicked and the score now stands 19-2. Morgan is still doing great line work.

Fourth Quarter. At the beginning of the fourth all the substitutes were put in, just to be given a show. These were Jack Meeking, Chas. Proctor, Jas. McKee, Ed. Forbes and Gene Harris. Proctor immediately runs up against the man who is in possession of the ball for a brief period and consequently he stops.

E. Weston carries the ball nearly to the goal before downed and after two of the mighty line plunges of Jones and J. Weston another goal is made. Washington wins by a score of 25-2.

The most important features of this game were the line plunges of J. Weston and Jones, running and tackling of E. Weston, and Morgan's line work. On the whole we had a good game and are expecting great things of the team this year.

All we need now is the hearty support of all townpeople. We want your support and need your co-operation with heart, soul and hand pocket-book.

The line-ups were as follows: Washington. Kinston. J. Wilkinson, Boyd. Center, Center. S. Hathaway, Knott. Left Guard, Left Guard. W. Morgan, Hendon. Right Guard, Right Guard. C. Carter, Currier. Left Tackle, Left Tackle. J. Taylor, Morris. Right Tackle, Right Tackle. Palmer Gordon, Whitaker. Left End, Left End. R. Ricks, Rhodes. Right End, Right End. W. Jones, Taylor. Left Half Back, Left Half Back. E. Weston, Barnes. Right Half Back, Right Half Back. J. Weston, Brewer. Warren, Lewis. Quarter Back, Quarter Back. Subs. (Washington) — Forbes, Proctor, Harris, McKee, Meeking. Subs. (Kinston) — Wooten, Cummings, Fleming.

BOSTON BRAVES WIN

Table with columns 1-9, R, H, E. Rows for BOSTON and ATHLETICS.

BATTERIES BOSTON—James and Gowdy ATHLETICS—Plank and Schang

It begins to look as if the four-time champions of the world in baseball, headed by that general, "Cone" Mack, are to meet their Waterloo today and yesterday's games are a criterion. Yesterday the score stood 7 to 1 in favor of the Braves from the "Hub" with Bender in the box for Philadelphia. Today the "Iron Man" Plank, tried to do the trick to the "Braves" and, although he pitched wonderful ball, he lost in the ninth when Boston sent the only run over the plate. It was a great game, and due to the fact that the contest was close and exciting today, doubtless there will be a record-breaking crowd not only in Boston Monday when the third game is to be played, but too at the New Theatre, where the contest is being shown by an electric board under the management of Mr. R. E. Pennington, of New York, who is handling it intelligently.

Shibe Park, Philadelphia, Pa., Oct. 10.—The weather is fair and one of the largest crowds that ever witnessed a baseball game in this city are in attendance. The line-up of the teams is as follows: Boston: Mann, Evers, Caphar, Whitte, Schmidt, Gowdy, Marranville, Deal, James. Athletics: Murphy, Oldring, Collins, Baker, Melants, Strunk, Barry, Schang, Plank.

REDUCTION IN NEXT YEAR'S COTTON CROP

Atlanta, Ga., Oct. 10.—An aggressive movement to bring about a reduction of next year's cotton acreage through special legislation of cotton belt legislatures was started in Texas the week beginning October 5 by leading members of the Southern Cotton Association, which has recently been reorganized, and through the present movement intends to repeat its success of 1905.

The campaign was started in Texas Monday when Harris Jordan, of Atlanta, president of the association; former Governor Noel of Mississippi; Walter Clark of Mississippi; John L. Hebron, of Jackson, Miss.; and John H. Sherrard, of Sherrard, Miss., began a tour of the State. They were scheduled to hold mass meetings at McKinney, Sherman, Dallas, Fort Worth, Waxahatche, Taylor, Paris, Marshall, Henderson, Temple, Waco, Corsicana, and other points. Delegations from those points will later appear before Governor Colquitt and the Texas legislature and urge that the substance of resolutions which appear below be enacted into law.

The Texas campaign will be duplicated in every other Southern State. The association believes that only through legislation can the acreage be reduced. The next State to be visited will be South Carolina, the plan being to work east and west through the belt. The resolutions upon which legislation will be based, were adopted by the convention of the Southern Cotton Association at New Orleans on September 29-30.

BISHOP-ELECT DARST NOW CONSIDERING

The Richmond Virginia of yesterday, according to the news item in today's Raleigh News and Observer, has the following to say with reference to the acceptance of Rev. T. C. Darst as bishop of the Diocese of East Carolina, and no doubt will be read with unusual interest by the readers of this paper: "Yesterday's Richmond Virginia says Rev. T. C. Darst, rector of St. James' Episcopal church, of Richmond, who has been elected Bishop of the Episcopal Diocese of Eastern Carolina, will not render a final decision as to his acceptance of the post for a week or ten days. The Virginian adds: "Mr. Darst was notified by telegraph late yesterday of his election. He wired a reply thanking the council for the honor conferred upon him, and advising the body that he would give serious and prayerful consideration to the matter before rendering a decision.

"It is known that Mr. Darst's parishioners at St. James, while pleased by the honor conferred upon him, feel that their church needs a man of just his ability and personality, and will not willingly give him up. It is said that the claim of St. James are felt by Mr. Darst to be of such a nature that he may possibly feel it incumbent upon him at this time to decline the bishopric of the Eastern Carolina district."

Miss Guernsey Bids Women Give Up Auto Trip for Pew

All the important women's clubs of the city yesterday united in appealing to all women, through the New York Americans, to go to church next Sunday and pray for peace. Miss Florence Guernsey, president of the New York City Federation of Women's Clubs, representing 188 of the best-known organizations, made this statement: "I hope every woman in New York, particularly every clubwoman, will put aside everything and go to church next Sunday to pray for peace. Women who have planned automobile trips and made other week-end engagements should give them up.

"Every woman should be in her pew on Sunday. If she has no new of her own she should go to some church and get down on her knees and pray with all her heart. I am sure such prayers will be answered. "Let the women take their children and their husbands with them. If the child is too young to sit through the church service, let the mother teach a prayer for peace as the babe kneels at her knees Sunday night. I hope also that all the ministers and Sunday school superintendents will arrange some prayer of peace for the use of the children in the Sunday schools.
