## Democrats Will Hold House and Control Senate

Washington, Nov. 5.—(Special Telegrams.)—The 1914 election in North Carolina has been held, with the amendment to the constitution which the greatest opposition has been directed, in favor of.

In the House of Representatives a very narrow margin is expected to carry the Democrats, while in the Senate a majority of 19 or more in the House of Representatives, while in the United States Senate the Democrats have made a gain of five.

Newlands, Democrat, and Samuel Flint, Republican, for the United States Senate, by a margin of 19 votes, the official count under which Flint's lead was reduced by returns during the day to less than 100 votes.

Governor McKee L. O'Connell, Republican, for United States Senator, by a narrow margin in the gubernatorial contest.

Women suffrage won by a small majority.

Wisconsin Very Close.  
Milwaukee, Wis., Nov. 5.—Returns last night indicate that Governor McGovern, Republican, has been elected United States Senator by a plurality ranging from 1,000 to 4,000 votes over Paul G. Hoffman, Democrat.

California Elects Democrats.  
San Francisco, Cal., Nov. 5.—Returns last night indicate that Governor McQuinn, Republican, has been elected United States Senator by a plurality ranging from 1,000 to 4,000 votes over Paul G. Hoffman, Democrat.

It looks now as evident that it will take the official canvass of the returns from the State to finally determine the fate of the amendments, except the tax amendment, which is generally conceded to have been defeated.

The late estimates are to the effect that there will be a clear majority of 19 or more in the House of Representatives, while in the United States Senate the Democrats have made a gain of five.

Other features of the election was the winning of the Progressive vote.

Late returns from Tuesday's election indicate that the Democratic majority in the House of Representatives for the Six-fourth Congress will be reduced to 12. The probable Democratic majority in the Senate will be fourteen.

Democrats have elected 126 members, Republicans 102, Progressives 14 and Socialists 1. Of the six winning districts, it was estimated that the Republicans and Democrats might elect three each. However, Republican gains were thirteen in Illinois, twelve in New York, ten in Pennsylvania, and nine in Ohio. Progressive representation in the House was cut from sixteen to nine.

The entire Democratic ticket in Beaufort county has been elected, although by a reduced majority with a safe one. The Democrats have received a majority ranging from 500 and over, going to show that notwithstanding this was an off year the people so far as Beaufort county is concerned are again willing to treat their destiny into the hands of a party that has always fully carried out its pledges.

Although unofficially the following is the total vote received by the Daily News as to the votes and majorities received by the respective candidates for county offices in the election of Tuesday last:

Committee which would be chosen that they could not be definitely determined at a late hour last night were two districts in Colorado, one in New Jersey, two in Kansas and one in North Carolina. In the Sixth California District J. A. Wilson, Progressive, led George H. Derick, Republican, by a slight margin. Democratic leaders claimed the election of H. B. Siddons and Edward Keating in the Second and Third Colorado Districts, Representative William E. Tattle, Jr., of the Fifth New Jersey District, was in danger of losing his seat to John H. Capstick, Republican, but his supporters claimed his election.

Republicans claimed victory for W. A. Calderhead and John B. Dykes in the Fifth and Sixth Kansas districts and for J. J. Britt in the Tenth North Carolina District.

Late returns indicate that the Senate will remain Democratic with possibly an increased majority. Although there is uncertainty regarding the election in Utah and New Mexico, indications are that the new Senate will consist of 53 Democrats, 40 Republicans and 1 Progressive. The re-election of Senator Smoot, Republican, at Utah, practically was assured today. Senator Newlands, of Nevada, seemed in danger of losing his seat to Samuel Flint, Republican.

In States where the fight was hot and victory practically was assured for Lawrence T. Sherman, Republican, in Illinois; Robert Work, Republican, in Colorado; James D. Phelan, Democrat, in California; Benjamin F. Bailey, Democrat, in Ohio; Charles G. Dyer, Republican, in Kansas; Warren G. Harding, Republican, in Ohio; and Charles H. Berry, Republican, in North Carolina.

## FUNERAL WAS HELD THIS AFTERNOON

Mrs. Lena Strickland, wife of Mr. Lonnie Strickland, passed peacefully away at her home, No. 741 West Third street, yesterday about noon, after an illness of two weeks.

The deceased was a daughter of Mr. H. G. D. Hill, and the late Mrs. Belle Hill, and at the time of her going was 32 years of age.

Mrs. Strickland was born on Chocowinity, N. C., but has been a resident of Washington for a number of years. Five years ago she was happily married to Mr. Lonnie Strickland, and as a result of this happy wedded life she leaves a bright and interesting little boy, age four years, to mourn his loss.

Besides a heart-broken husband, and one son, the deceased leaves an aged father, Mr. H. G. D. Hill, two brothers, Messrs. J. F. and J. A. Hill, and one sister, Mrs. Bessie Clark.

For years she has been a consistent member of the First Baptist church, and proved to be one of that church's most loyal supporters in every good work. She was a woman of high ideals and was held in the highest esteem by her neighbors and friends.

The funeral was conducted from the residence this afternoon at 4 o'clock by the Rev. R. L. Day, pastor of the First Baptist church, and the interment was in Oakdale cemetery.

The following acted as pallbearers: G. E. Edwards, A. C. Cave, W. C. Johnson, J. R. Woodall, J. W. Leonard and Hugh Watson.

The sympathy of the community goes out to those bereft.

Mr. J. C. Buckman has been connected with the American Tobacco Company for the past five years and Mr. J. O. Buckman has been the money order clerk in the city post office for the past eleven years. Both of these young men are popular and have the best wishes of their friends for success.

## DR. J. L. NICHOLSON HOST LAST NIGHT

Beaufort County Medical Society last evening. Papers Read by Drs. P. A. Nicholson and H. W. Carter.

Beaufort County Medical Society last evening entertained at the home of Dr. Jack L. Nicholson on East Main street last evening and proved to be one of the most interesting and instructive sessions yet held by this organization. The meeting was called to order at 8:30 o'clock by the president, Dr. John G. Blount.

Practically all the physicians who are members in the city were present and the visiting physicians were Dr. Jack Nicholson, of Bath, and Dr. A. K. Taylor, of Aurora.

Interesting papers were read and were discussed extensively by those present.

Dr. P. A. Nicholson read a paper, entitled "The Relation of Medical Examiners to Life Insurance Companies," and Dr. H. W. Carter, the efficient secretary of the society, submitted a paper entitled, "Mastoid Operations."

Dr. H. T. Nicholson reported a case on "Idiosyncrasy in Administering Diphtheric Antitoxin."

All of the above papers and the case reported were instructive and intelligently discussed.

The society adjourned to meet again on the first Wednesday evening in January, 1915, at which time Dr. P. A. Nicholson will be the host.

After the business of the meeting last night had been concluded the host of the evening, Dr. Jack Nicholson, served a delightful luncheon. All present spent both a pleasant and profitable evening. The host was par excellence in his role as an entertainer.

## CLOSE GAME IS EXPECTED TOMORROW

Everything is in readiness for the game of football between the Washington High and the eleven from Winterville, which is to be pulled off at Fleming Park tomorrow afternoon at 2:30 o'clock. Both teams, it is said, are evenly matched and in consequence a close and exciting game is looked for.

It is to be hoped that the patronage will be a generous one so as to enable the local eleven to meet the expenses of the game. The price of admission will be 25 cents. Ladies free.

## WAR BETWEEN THE ALLIES AND TURKEY NOW ASSURED

Turkey has definitely broken off diplomatic relations with Great Britain, France, Russia and Serbia. Her diplomatic representatives in the capitals of these countries, acting upon orders from the Porte, today demanded and received their passports. Some already have left, while the others will depart tomorrow.

Although no statement to this effect has been given out, it is understood Turkey's apology for the actions of her fleet in bombarding Russian Black sea ports and Russian ships was unacceptable to the Triple Entente powers, in that Turkey was not prepared to accede to a demand that German officers in her service be dismissed and the ships purchased from Germany dismantled.

The powers which the Ottoman government thus defied are already taking warlike action against Turkey. The British have destroyed Fort Akabah, in Arabia, the Russians have invaded Asia Minor, and an Anglo-French fleet is bombarding the forts of the Dardanelles.

Now that Turkey has aligned herself among the nations at war, speculation is rife as to what the other Balkan powers will do. Greece is said to be preparing to take sides with the allies, while Bulgaria has given assurances of her neutrality. Bulgaria, however, is mobilizing, for, as a Bulgarian diplomat said: "With Turkey in the arena of the war, Bulgaria must be prepared for any eventualities."

Next to the Turkish situation, the appearance of German warships off the English coast is causing most of the discussion today.

The fact that the German did lay mines seem to indicate to the naval experts here that the ships engaged in this work were old ones. These experts argue that Germany would not take such risks with new vessels. As if to prove their contention, the experts say that the frigate at the British cruiser Halcyon, which resulted in slight damage to that vessel, showed that the Germans were not armed with modern guns.

Official reports of the fighting on land so far today recorded only advances at various points and reports of the enemy's stocks at several points. In fact, there is an
